WEDNESDAY, MARCH 10, 1858.

Legislative Council of India.

The 27th February 1858.

THE following Bill, as settled in Committee of the whole Council on the 27th February 1858, was ordered to be published for general information and to be re-considered after five weeks:—

A Bill for appointing Municipal Commissioners and for raising a Fund for Municipal purposes in the Town of Bombay.

WHEREAS it is expedient to make better provision for the appointment of Commissioners for the Conservancy and improvement of the Town of Bombay, and for assessing and levying rates and taxes for Municipal purposes in the said Town; and whereas it is also expedient to provide additional funds for improving the Drainage of the said Town, and for repaying the expense incurred by Government in the construction of works for supplying water to the said Town; It is enacted as follows:—

I. So much of the 158th Section of the Act of Parliament 53 Geo. III cap. 52 as remains in force; so much of Chapters II and IV of Regulation XIX. 1827 of the Bombay Code as remains in force, and so much of Act VII of 1836 as relates to those Chapters; Regulation XXXII. 1827 of the same Code; and Act XI of 1845—are hereby repealed, except so far as they repeal any other Act, and except as to any assessment or tax which shall be unpaid, and as to any proceeding for the recovery of the same which shall have been commenced before this Act comes into operation.

II. The assessment on houses, buildings, and grounds, made under the said Statute and the said Act XI of 1845, shall, until revised and altered under the provisions of this Act, remain in full force and effect, and shall

be levied and recovered, ~~at the rate payable under~~ this Act.

III. Act XXV of 1856, entitled "An Act to incorporate in one Act the provisions necessary for the assessment and collection of Municipal rates and taxes in the Towns of Calcutta, Madras, and Bombay, and the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca," is incorporated with this Act.

In construing the said Act, the expression "the Special Act" shall mean this Act; the expression "the Commissioners" shall mean the Municipal Commissioners constituted by this Act; and the expression "the local Government" shall mean the Governor of Bombay in Council.

IV. There shall be three Commissioners for the purposes of this Act and for the Conservancy and improvement of the Town of Bombay under Act XIV of 1856. The Governor in Council shall appoint one of the Commissioners who shall be President of the Board of Commissioners. The other two Commissioners shall be elected by Her Majesty's Justices of the Peace in Sessions assembled.

V. The Commissioners shall be styled "The Municipal Commissioners for the Town of Bombay," and shall by such name be a body corporate and have perpetual succession and a common seal, and by such name shall sue and be sued.

VI. The Commissioners appointed by the Governor in Council shall be removable at his pleasure. The two elected Commissioners shall remain in office for a period of three years, and at the end of every three years successively a like new election shall take place, but the same

persons or either of them may be re-elected ; and in the event of a vacancy occurring, by death or otherwise, within the said period, the Justices in Sessions assembled shall, as soon as convenient, elect a person to supply the vacancy until the next triennial election.

VII. The Municipal Commissioners shall meet once at least in every week. The attendance of two shall be necessary to constitute a meeting. At a meeting of two, on questions on which they are divided in opinion, if the President be one of them he shall have a casting vote ; otherwise the question shall be reserved for the decision of a future meeting.

VIII. The Municipal Commissioners may receive such allowances out of the funds to be raised under this Act as shall be, from time to time, fixed by the Governor in Council. Provided that the allowances for any Commissioner shall not exceed the rate of ten thousand Rupees a year, if the Commissioner holds no other appointment or occupation ; or the rate of four thousand Rupees a year, if he holds any other appointment or occupation.

IX. In the execution of this Act and the Incorporated Act, and of Act XIV of 1856, the Commissioners shall not be subject to any check or control on the part of the Justices. Provided that, in respect of any work for the execution of which the consent or sanction of the local Government is necessary under any of the said Acts, and in respect of the regulation of the salaries of Officers appointed under any of the said Acts, the Commissioners shall, before making application to Government, submit a plan of the work or a Schedule of the salaries for the approval of the Justices. When any such plan or Schedule is disapproved by the Justices, the Commissioners, if they see fit, may refer the matter for the decision of the Governor in Council.

X. An annual rate of five per centum of the annual value shall be imposed upon houses, buildings, and lands in the said Town, and shall be payable by the owners thereof in quarterly instalments. Provided that it shall be lawful for the Governor in Council, on the representation of the Justices, to fix, from time to time, in lieu of the said annual rate of five per centum, any higher annual rate not exceeding seven and a half per centum. Any rate so fixed shall be published in the Government Gazette, before the commencement of the year in which such rate is to have effect.

XI. Religious edifices, and buildings devoted to charitable purposes, and temporary buildings occupied by European and Native Officers and Soldiers in the service of Her Majesty or of the East India Company doing Regimental duty in the Garrison of Bombay, shall not be liable to the rate.

XII. Buildings owned by Government shall be exempt from the rate so long as the sum of thirteen thousand Rupees, now annually paid by Government in lieu thereof, shall continue to be so paid.

XIII. The Commissioners may exempt from assessment any house, building, or land, the annual value whereof is less than twelve Rupees, if the same be the sole rateable property of the owner.

XIV. When any house shall have been vacant for sixty consecutive days during any year, the Commissioners shall remit so much of the rate for that year as may be proportionate to the number of days the said house may have remained unoccupied ; provided that the owner of such house or his agent, shall have given notice in writing of the vacancy thereof to the Commissioners, and that the amount of rate to be remitted shall be calculated from the date of the delivery of such notice.

XV. A tax shall be imposed on all carriages, carts, hackeries, horses, ponies, and mules kept within the said Town, and upon all carts and hackeries plying for hire within the said Town or let for hire and used within the said Town and kept at any place beyond the limits thereof, at the following rates ; and shall be payable quarterly by the owners or persons having charge of the same.

Conservancy Carts, Horses, Ponies, and Mules belonging to the Commissioners.

XVII. Every person, who may have owned or had charge of any vehicle or animal kept, within the said Town for any number of days in any quarter, shall be liable to the whole tax for that quarter.

XVIII. If a carriage shall have been under repair at a carriage-maker's for the whole period contained in any quarter, no tax shall be leviable in respect of such carriage for that quarter.

XIX. XX. Every carriage kept and let out for hire within the said Town; and every cart and hackery kept and used within the said Town; and every cart and hackery plying for hire within the said Town, or let out for hire and used within the said Town, and kept at any place beyond the limits thereof—shall be registered in the Office of the Commissioners with the name and residence of the owner; and shall bear, in such manner as the Commissioners shall direct, the number of such registration. The registration shall be made and the numbers assigned annually, upon such day in each year as the Commissioners shall appoint. Any person becoming possessed, within the year, of any such carriage, cart, or hackery, which has not been registered, may obtain registration on application to the Commissioners at their Office. When any registered carriage, cart, or hackery is transferred within the year, it shall be registered anew in the name of the person to whom it has been transferred. A fee of four annas shall be paid for each registration.

XXI. Whoever keeps any carriage, cart, or hackery required to be registered by the provisions of the last preceding Section, without being so registered, shall, on conviction before a Magistrate, be liable to a fine not exceeding ten Rupees; and the Commissioners, or any Officer duly authorized by them, may seize or cause to be seized any such carriage, cart, or hackery (provided the same be not employed at the time of seizure in the conveyance of any passengers or goods), together with the horses, bullocks, or other animals drawing the same, and may deliver them over to the Police; and all Police Officers are hereby required, on the application of the Commissioners or their Officer as aforesaid, to seize and detain the same. If the carriage or other vehicle as aforesaid be not claimed, or if the fine be not paid within ten days, such carriage or vehicle, together with the animals seized with it, may be sold by auction by order of the Magistrate, and the proceeds applied to the payment of the fine and all costs and charges incurred on account of the detention and sale; and the surplus (if any), if not claimed by the owner within a further period of twenty days, shall be paid to the Municipal Commissioners.

XXII. Duties, at the rates specified in the Schedule annexed to this Act, shall be levied in respect of the several things therein mentioned when imported from any place into the Town of Bombay and intended for consumption or use therein. The said Duties shall be called the Town-Duties, and

shall be leviable in addition to any Customs-Duties prescribed by law.

XXIII. The said Town-Duties shall be levied and collected by and under the management of the Commissioner of Customs of Bombay and his subordinate Officers, who shall have the same powers for collecting and enforcing payment of the said Town-Duties as they now have or shall have in respect of Customs-Duties; and such Commissioner and his subordinate Officers shall have the same privileges and be subject to the same liabilities in respect of anything done by them in collecting and enforcing payment of the said Town-Duties under this Act as they now have or are subject to under the provisions of any Act in force relating to the said Customs.

XXIV. All monies received by the Commissioner of Customs on account of the Town-Duties shall from time to time, after deducting the charges of collection, be paid into the General Treasury to the credit of the Municipal Commissioners.

XXV. The Governor of Bombay in Council shall have power from time to time to make rules for keeping the accounts of the said Town-Duties, and from time to time to alter or revoke the same; and may by such rules direct what books, accounts, and statements shall be kept by the Commissioner of Customs and at the General Treasury in relation to the said Town-Duties. The Governor in Council may also from time to time fix the charges which the Commissioner of Customs shall be entitled to deduct for the necessary expenses of collecting the said Town-Duties and accounting for the same.

XXVI. All monies received by the Commissioners or paid to their credit by virtue of this Act or of Act XIV of 1856 or of any other Act or Regulation, and all fines and penalties imposed and levied by the Court of Petty Sessions or by any Magistrate of Police or Justice of the Peace within the said Town, and all sums of money collected on account of fees for licenses granted under Act V of 1842, shall form a Fund which shall be called the Municipal Fund of Bombay.

XXVII. All charges and liabilities duly incurred for Municipal purposes, and which would, but for the passing of this Act, be payable from the Municipal Fund as constituted under the provisions of Act XI of 1845, shall be paid from the Municipal Fund constituted under the provisions of this Act.

XXVIII. The Municipal Fund shall be under the direction and management of the Commissioners, who shall submit quarterly, for the information of the Justices, an

account of all sums paid into and disbursed from the said Fund. Subject to the deductions and appropriations hereinafter mentioned, the said Fund shall be applied to the purposes of this Act and the Incorporated Act, and of Act XIV of 1856; and to the execution of any public works tending to the improvement of the said Town, which may be sanctioned by the Governor in Council, although not expressly mentioned in any of the said Acts.

XXIX. From and out of the Municipal Fund an annual sum, bearing the same proportion to the annual expenses of the Police of the Town of Bombay as the sum of forty-five thousand Rupees bore to the annual expenses of the Police aforesaid (namely one hundred and sixty-seven thousand five hundred and fifty-three Rupees) at the period of the passing of Act XI of 1845, shall in the first instance be deducted and paid by equal monthly instalments and carried to the credit of the Governor in Council in the General Treasury, to be applied by the Governor in Council for and on account of the expenses of the Police of the Town of Bombay.

XXX. The Commissioners shall pay to the Governor in Council out of the Municipal Fund an annual sum not less than one hundred and seventy-five thousand Rupees on account of the expense which has been or may be incurred by Government in the construction of the works called the Vihar Water-works; and such annual payment shall continue to be made until the whole of the expense so incurred (except such portion thereof, if any, as shall be defrayed by Government out of the public revenue), with interest thereon at the rate of four per centum per annum, shall have been repaid. The Commissioners shall also pay to the Governor in Council in each year such further sum as shall be equal to the cost of the maintenance of the said works during the preceding year.

XXXI. The Commissioners shall carry out, with as little delay as possible, such a complete system of sewerage and drainage within the said Town as shall be directed by the Governor in Council; and until such system of sewerage and drainage has been completed and all the expenses thereof defrayed and all monies borrowed for the payment of such expenses and interest thereon have been repaid, shall set apart for the purposes above-mentioned, out of the Municipal Fund, an annual sum not less than two hundred and fifty thousand Rupees. If such system of sewerage and drainage has been completed, and all the expenses thereof defrayed, and all monies borrowed for the payment of such expenses and interest thereon have been repaid, before the expenses incurred by Government for the construction of the said Vihar Water-works shall have been repaid, the said annual sum of two hundred and fifty thousand Rupees shall be added to the sum of one hundred and seventy-five thousand Rupees directed by the preceding Section to be appropriated annually to the repayment of the expenses of the said works.

XXXII. Whenever the Commissioners shall have incurred any expenses in the execution of any of the works which, under Sections XXIV, LI, and LIII of the said Act XIV of 1856, the owners of any premises, houses, or buildings are required to execute, the Commissioners may either recover the amount of such expenses in the manner therein provided, or, if they think fit, may take engagements from the said owners for the quarterly payment of such sums as will be sufficient to defray the whole amount of the said expenses, with interest thereon at the rate of six per centum per annum, within a period not exceeding

five years; and such sums, when due, may be recovered by the same process by which rates may be recovered under the Incorporated Act.

The 6th March 1858.

THE following Bill was read a second time in the Legislative Council of India on the 6th March 1858 and referred to a Select Committee, who are to report thereon after the 10th of June next:—

A Bill for the maintenance of a Police Force for the Port of Madras.

WHEREAS it is expedient to make further provision for the security of the traffic between the shore and the shipping in the Port of Madras by increasing the Police Force; and whereas it is just and expedient that the said traffic should contribute

towards the expenses and maintenance of the said Force; It is enacted as follows:—

I. To meet the expense of such an increase to the Police Force, established under the provisions of Act XIII of 1856, as may be necessary for the purposes of this Act, the sum of three annas shall be charged and taken by the owner of every boat employed to convey cargo or goods to or from any ship or vessel in the Port of Madras in addition to the hire payable under Act IV of 1842.

II. No boat shall convey any cargo or goods of any description to or from any ship or vessel in the Port of Madras unless accompanied by an Officer of the Police Force.

III. If any boat shall convey any cargo or goods to or from any ship or vessel in the Port of Madras without having an Officer of the said Force on board of such boat, the owner of every such boat, and the tindal and every boatman then in such boat, and every boat-owner, tindal, and boatman who shall hinder any Officer either from accompanying any such boat or in the performance of his duty when in any such boat, shall on conviction before a Magistrate be liable as follows: every boat-owner for the first offence to a penalty not exceeding fifty Rupees, and for a second or any subsequent offence to a penalty not exceeding one hundred Rupees; every tindal for the first offence to corporal punishment not exceeding twenty stripes of a rattan; and for a second or any subsequent offence to corporal punishment not exceeding twenty-five stripes of a rattan; and every boatman for the first offence to corporal punishment not exceeding fifteen stripes of a rattan, and for a second or any subsequent offence to corporal punishment not exceeding twenty stripes of a rattan.

IV. Every boat-owner shall on every Monday make to the Commissioner of Police, or to such other person as the said Commissioner of Police shall appoint to receive the same, a return in writing, signed by such boat-owner, of the number of trips made by each of his boats on each day during the preceding week.

V. Every boat-owner who shall neglect to make such return as in the next preceding Section specified shall, on conviction before a Magistrate, be liable for a first offence to a penalty not exceeding fifty Rupees, and for a second or any subsequent offence to a penalty not exceeding one hundred Rupees; and every boat-owner who shall make a false return shall be liable to a penalty not exceeding three hundred Rupees, and to the forfeiture of all licences which he may hold under the provisions of Act IV of 1842.

VI. Every boat-owner shall on every Monday pay to the said Commissioner of Police, or to such other person as the said Commissioner of Police may appoint to receive the same, the said sum of three annas for every trip made by any boat belonging to him, employed in conveying cargo or goods, according to the weekly return to be made by him

as hereinbefore directed; and in default of such payment, one or more of the boats of any boat-owner making such defaults may be seized and sold by virtue of a warrant or warrants under the hand and seal of a Magistrate until the amount so due by such boat-owner and the expenses of sale, &c., shall be realized; and such amount, when realized, shall be forthwith paid to the said Commissioner of Police.

VII. All monies paid to or received by the said Commissioner of Police under this Act shall be paid by him, at least once a month, into the General Treasury of Fort Saint George.

VIII. No conviction, order, or judgment of any Magistrate shall be quashed for error of form or procedure, but only on the merits; and it shall not be necessary to state on the face of the conviction, order, or judgment, the evidence on which it proceeds; but the depositions taken, or a copy of them, shall be returned with the conviction, order, or judgment in obedience to any writ of *certiorari*; and if no jurisdiction appears on the face of the conviction, order, or judgment, but the depositions taken supply that defect, the conviction, order, or judgment shall be aided by what so appears in such depositions.

IX. None of the foregoing provisions of this Act shall be taken or deemed to extend or apply to any boat which shall convey mails only to or from any ship or vessel in the Madras Roads.

X. This Act shall take effect from the day on which it shall be notified in the Official Gazette that the Police Force has been increased for the purposes of this Act.

Legislative Council of India.

The 6th March 1858.

THE following Bill was read a second time in the Legislative Council of India on the 6th March 1858, and was referred to a Select Committee, who are to report thereon (under a suspension of the Standing Orders) within one month:—

A Bill to facilitate the recovery of land and other real property, of which possession may have been wrongfully taken during the recent disturbances in the North-Western Provinces of the Presidency of Bengal.

WHEREAS there is reason to believe that, during the recent disturbances in the North-Western Provinces of the Presidency of Bengal, many persons have, without authority of law, been dispossessed of and or other real property; and it is expedient to provide a more easy and speedy means whereby they may obtain redress than is afforded by the

ordinary remedy of a regular Civil action: It is enacted as follows:—

I. It shall be lawful for the Governor General in Council, or for the Executive Government of any place within the North-Western Provinces of the Presidency of Bengal, to appoint one or more Special Commissioners for the summary determination of cases of wrongful dispossession of land or other real property within the provisions of this Act; and to assign, from time to time, such local jurisdiction to the Special Commissioner or Commissioners so appointed as may appear proper.

II. Whenever any Special Commissioner, appointed under this Act, shall be vested by order of the Governor General in Council, or of such Executive Government, with jurisdiction in any District or Districts or in any part or parts of any District or Districts within the limits of the North-Western Provinces of the Presidency of Bengal, notice thereof shall be given by proclamation in the several Courts and in the Offices of the several Collectors and Magistrates of such District or Districts; and the powers heretofore vested in the Courts of such District or Districts, in respect of all cases cognizable by the Special Commissioners appointed under this Act, shall be suspended until such Courts shall be informed by an order, under the signature of the Secretary to Government, that the local jurisdiction of the Special Commissioner has ceased. Provided that nothing in this Section shall interfere with the trial and decision of any case which may be pending before any Court at the time of the passing of this Act, unless such case be transferred for trial and decision to a Special Commissioner appointed under this Act.

III. Any case pending before any Court at the time of the passing of this Act, in respect of a matter made cognizable by a Special Commissioner appointed under its provisions, shall, on the application of the party complaining, be transferred to the Special Commissioner within the limits of whose jurisdiction the property in dispute is situate; and such Commissioner shall summon the defendant and proceed to dispose of the case in the same manner as if it had been instituted before himself.

IV. The Special Commissioners appointed under this Act may hold a Court at any place within the limits of their jurisdiction, which may appear most convenient for the trial of cases brought before them.

V. Whenever any Special Commissioner shall be vested with jurisdiction under this Act, such Commissioner shall issue a proclamation requiring all persons within the limits of his jurisdiction who may, without authority of law, have taken possession of any land or other real property, situated within such limits, subsequently to the 10th May 1857, to deliver up the same, within a period to be fixed in the proclamation, to the party who was in possession at the time when such unlawful possession was taken; and warning all persons that, in the event of their failing to com-

ply with such requisition, and of its being afterwards proved, on the complaint of the party ousted, that they had, without authority of law, taken possession of the land or other real property mentioned in the complaint, subsequently to the said 10th May 1857, and that they continue in possession of the same, they will not only be ejected from such land or other real property, and be compelled to account for any mesne profits that may have accrued during the period that they may have held possession thereof, but will also be liable to such punishment as the Special Commissioner may award under the powers vested in him by this Act. Copies of such proclamation shall be affixed in the Court of the Special Commissioner, and in the several Courts and Offices of the Collectors and Magistrates of the District or Districts to which the jurisdiction of the Special Commissioner may extend.

VI. After the expiration of the period mentioned in the proclamation, any person who may, without authority of law, have been dispossessed of any land or other real property subsequently to the said 10th May 1857, may apply to the Commissioner, within whose jurisdiction such land or other real property is situate, to be reinstated in the possession of the same. The application may be written on plain paper, and shall contain the following particulars:

1. Name, description, and place of abode of the Plaintiff.
2. Name, description, and place of abode of the Defendant.
3. The subject of the complaint, the title under which the Plaintiff claims to have been in possession thereof, and the date on which he was dispossessed.

VII. Whenever such application may be made, the Special Commissioner shall examine the Plaintiff on oath or solemn affirmation as to the truth of his complaint; and if satisfied that there is probable cause for instituting the complaint, he shall issue a summons requiring the Defendant to appear and make defence in person on a day to be fixed in the summons, or he may issue his warrant for the arrest of the Defendant and for his being brought before his Court on a day to be fixed in the warrant. Provided that the Special Commissioner may, for any good or sufficient reason, excuse the Plaintiff or Defendant from attending his Court in person and allow him to appear by a duly authorized representative.

VIII. On the day fixed for the appearance of the Defendant, the parties shall bring their witnesses into Court, together with any documents on which they may intend to rely in support of their respective statements; and if either party require the assistance of the Special Commissioner to procure the attendance of a witness on such day, he shall apply to the Special Commissioner in sufficient time previous to the day fixed for the appearance of the Defendant, and the Special Commissioner shall issue a subpoena requiring such witness to attend his Court on that day.

IX. On the day fixed for the appearance of the Defendant, or as soon after as may be practicable, the Special Commissioner shall

proceed to examine the parties and their witnesses; and if, upon such examination, and after inspecting the documents of the parties, and making any further enquiry which may appear to him necessary, the Special Commissioner shall be of opinion that the complaint is substantiated, he shall record a proceeding ordering the plaintiff to be put again into possession of the property in dispute, and to be maintained in possession thereof: he may also adjudge the Plaintiff to be entitled to recover from the Defendant mesne profits for the period during which the Defendant may be found to have been in possession of the property. It shall further be lawful for the Special Commissioner, on proof that the Defendant continued in possession of the property in dispute after the expiration of the period fixed by the proclamation to sentence him to imprisonment in the Criminal jail with or without labor for a period not exceeding seven years, or to a fine, or to both imprisonment and fine.

X. The order of the Special Commissioner for giving possession of the whole or any portion of the land or other real property to which the complaint may relate, shall be immediately executed; and it shall be competent to the Special Commissioner to call in the aid of the Magistrate, if necessary, for the purpose of enforcing the same. If the order adjudge the Defendant to be

liable to pay to the Plaintiff mesne profits for the period during which he may have been in possession of the property in dispute, the amount shall be adjusted by a reference to the Collector; and it shall be competent to the Collector to levy the amount which may be awarded by him, together with the amount of any fine which may have been imposed upon the Defendant, by the same process as is authorized for the recovery of arrears of the public Revenue.

XI. All orders passed by a Special Commissioner in cases cognizable under this Act, shall be final; but nothing in this Act shall be held to preclude either of the parties to the case from instituting a regular suit to establish his right to the property in dispute, under the rules applicable to regular Civil actions.

XII. This Act may be extended by the Governor General in Council, or by the Executive Government of any Presidency or place other than the North-Western Provinces of the Presidency of Bengal, to any District or Districts within the limits of their respective Governments; and it shall be lawful for the Governor General in Council or such Executive Government to exercise, in the District or Districts to which this Act may be so extended, all the powers vested by this Act in the Governor General in Council or the Executive Government of any place in the North-Western Provinces of the Presidency of Bengal.

FROM

COLONEL J. K. MCCAUSLAND,
Commanding in Kumaon,

TO

THE CHIEF OF THE STAFF,

*Army Head Quarters.**Camp, Huldwanee, 12th February 1858.*

SIR,

I HAVE already reported, for the information of His Excellency the Commander-in-Chief, my having formed a Camp at this place with the view, first, of protecting the Kumaon Hills; second, of clearing the Barbur and Turasee Pergunnahs of Rebels.

2. On my arrival here, I found the position of the Enemy as follows:

A Force of 3,000 Infantry, with 800 Cavalry, and 6 Guns, Commanded by Fuzul Huq, was encamped at Sunda in a strong position on the banks of the Sookhee River, about 15 miles from my Camp.

Another Force, Commanded by Khali Khan, of 4,000 Infantry, 800 Cavalry, and 4 Guns, was encamped at Bunde, but within the last few days had advanced in this direction, and formed a Camp at Churpoorah, on the Paba Nuddee, 16 miles from here.

3. From the best information I was able to obtain, it appeared the intention of the Enemy was to make a combined attack on Huldwanee with a view, if successful, of endeavouring to force the Hill passes; my arrangements were made to act on the defensive, and there can be no doubt, had they attempted such a move, it would have ended in their utter defeat.

4. On the afternoon of the 9th Instant, reliable information having been obtained that the Army under Fuzul Huq was about to effect a junction

with Khali Khan's Force, I considered it advisable, if possible, to crush the latter before such junction could be effected. My great fear was that the Enemy might hear of my movements and escape the impending blow, so my preparations were conducted with the greatest secrecy. At 9 P. M. of the 9th Instant, nothing in Camp indicated an intended move. At that hour the Tents were quietly struck, and removed to the Mundee, an enclosed square, barricaded and capable of being held by the Force I could spare for its protection, for some time at least against very superior numbers.

5. At 11½ P. M. I moved from Camp with the Troops as per margin, and marching all night through the forest, came on the Enemy's Camp, at Chumporah, shortly after day-break, on the morning of the 10th.

I found his position a strong one, about 900 yards off the road, which was commanded by his Guns. His rear and left were protected by the Paha Naddee, which wound round his Camp. The only approach to his front and right flank was over rough broken ground, intersected by Nullahs, and covered with thick jungle grass and bushes; a small village filled with Infantry was on his right flank. His Force from 4 to 5,000 Infantry, about 1,000 Cavalry with 4 Guns.

6. The surprise was complete; the only portion of my Force at first visible to the Enemy was an advance Guard of the Rohilkund Horse, and a party of their Sowars, galloping towards us, asked if we were Fazul Huq's Army, which they expected that morning to join them. Wheeling back the Cavalry, I fired a few rounds which undeceived them, and drew on us a heavy Artillery fire. Directly I ascertained their position, I drew up the Guns on the road, and opened on those of the Enemy, and ordered Captain Ross, Commanding the 66th Goorkhas, (leaving 2 Companies to protect the Artillery,) and Captain Baugh, Commanding the Nepal Contingent and Kumaon Levies, to advance on the Enemy's right flank, supported by the Rohilkund Horse, under Captain Crossman.

During this advance, the fire on our Artillery was very severe, the Enemy's Guns being served with the greatest rapidity and precision; their largest Gun was quickly disabled, and after about 40 minutes of very sharp firing, during which the Cavalry and Infantry were gradually nearing their right, they turned their Guns on them, and plied them with grape and round shot. Our Guns, thus relieved from the fire of the Enemy's, were enabled to commit immense execution in their large bodies of Cavalry, into which they poured shrapnel with beautiful precision and tremendous effect.

7. The advance of our line was steady and uninterrupted. The Enemy's Infantry and Cavalry, though offering opposition from every point of advantage which the nature of the ground gave them, and though they appeared in strength and fought with resolution, could not check the 66th and Nepal Goorkhas, who gained ground, firing with a rapidity and resolution they could not withstand.

In about an hour from their first advance, the village and right flank had been gallantly carried by the Infantry, who sweeping down the front, cut the Guns with a rush, cutting down every

Artilleryman at his Gun. The resistance was very severe, and I believe that with hardly an exception, every European Officer in this charge had hand to hand encounters with the Enemy.

The Rohilkund Horse made a gallant charge during this advance, repulsing a very superior body of the Enemy's Cavalry, taking a standard, and cutting up a great number. They entered the Camp with the Infantry, and were most useful in cutting up stragglers.

8. As from the jungly nature of the ground it was impossible for me to witness all that was going on, I called for reports from Officers Commanding Corps, which, with a Camp Order issued by me on the occasion, I have the honor to forward for His Excellency's information, and have now only the pleasant duty of reporting the complete success of our operations, and bringing to the notice of the Commander-in-Chief the gallant conduct of all engaged.

9. The Enemy's standing Camp and Baggage fell into our hands and was burnt; the whole of his Ammunition was destroyed; of his Guns one was completely disabled and left on the Field; the other three with four limbers we brought with us into Camp. Their exact loss I am unable to state; the killed must exceed 500, and the wounded more than twice that number. The loss in their Cavalry must have been very heavy from the constant fire to which they were exposed.

It would have been imprudent for me to make any delay on the ground; it was quite possible that Fazul Huq might have heard of our move, and pushed on to make an attack on this place before I could return. Our first shot was fired at 1 to 5 A. M.; at 8 A. M. we began to move back and reached our Camp here shortly after noon, the Force under my Command having marched 34 miles, and fought a severe action in 15 hours.

10. The blow thus struck must be a severe one to the Rebels in this quarter, and though Fazul Huq keeps his Force together, I am watching him closely, and will attack if a favorable opportunity offers. His present position in the heart of a dense jungle renders it inadvisable to do so at present.

11. My best thanks are due to Captain Kirby, who Commanded the Artillery, and to Captain W. Maxwell, of the Artillery, who having returned to his Civil duties in the Surate Pergunnah, served as a Volunteer with the Guns and rendered invaluable assistance. The services of this Officer I have already brought prominently to the notice of His Excellency, and when I state that it is by his unremitting exertions the Goorkha Artillery Company was trained, that limbers were made for the Guns, and that we were able to take the Field with Artillery at all, I feel that the Commander-in-Chief will fully appreciate his merits. Captain Ross, Commanding 66th Goorkhas, led the Regiment with great gallantry. His coolness and judgment were conspicuous, and I would beg to recommend him to the favorable notice of His Excellency. Lieutenant and Adjutant Tytler, 66th Goorkhas, severely wounded; Lieutenant Miles, 66th Goorkhas; Lieutenant Gopp, 66th Goorkhas, mortally wounded on the Field and since dead, have been brought to my notice as having prominently distinguished themselves. Captain Ross also mentions the gallant behaviour of Quarter Master Serjeant Delahoy, 66th Goorkhas, and the gallant

try of Jusbahadoor Goorung, Sepoy, Lieutenant Miles' Company, was conspicuous.

Captain Baugh, Commanding the Nepal Contingent, to which I attached two Companies of the 66th Goorkhas, gallantly charged the right flank of the Enemy and carried the Guns. The efficiency of the Contingent is greatly due to his exertions for the past six weeks in drilling and equipping them. Captain Baugh speaks in high terms of Captain Bodee Maun Singh, who Commands the Goorkhas; Lieutenant Boree Gorung, and Adjutant Phulwan Sing. My best thanks are due to Captain Crossman, Commanding the Rohilkund Horse; this Corps has been organized and equipped by him within the last three months. He charged and dispersed at their head, a very superior body of Patan Cavalry across a country and under a fire that would have tried the metal of any Troops. The Officers and Men mentioned by him I would recommend to the favorable notice of His Excellency.

Captain Brownlow, my Major of Brigade, afforded me every assistance, and I would beg to recommend him to the notice of the Commander-in-Chief as a good and efficient Staff Officer. Captain Warde, late 68th Native Infantry, acted as my Orderly Officer, and was most active and useful.

Surgeon H. Irwin, 66th Goorkhas, accompanied the Force, and I am much indebted to him for his unremitted exertions for the comfort of the wounded on the Field, and their removal to Camp, which he effected with very inadequate means.

I cannot close this Report without recording, though I fear I may not do so in adequate terms, the assistance rendered to me on this and every occasion, during the last eight months, by Major H. Ramsay, the Commissioner of Kumaon. His exertions to equip, maintain and feed this Force have been unceasing. Suffering still from the effects of a severe accident which deprived him of the use of an arm, he accompanied me to the Field, where his local knowledge was invaluable. It is not for me to record the services he has rendered to Government in his District; but I may say that the general feeling of security that has prevailed in the Kumaon Hills was mainly due to his watchfulness and untiring energy.

Mr. C. Carmichael, of the Civil Service, and Mr. Reed, Inspector of Forests, accompanied the Troops, and made themselves most useful in pointing out the positions of the Enemy.

I enclose a Return of the Ordnance captured, and a Casualty Return of the Force, which I trust may not be considered excessive considering what has been accomplished and the strength and position of the Enemy.

No. 22 of 1858.—The Right Hon^{ble} the Governor General of India has much satisfaction in publishing the following Report, by Major-General Sir J. Outram, G. C. B., of the repulse of an attack on his position at Alum Bagh, on the morning of the 21st February 1858, in which the arrangements made by Sir J. Outram were most judicious and effectual, and the conduct of the Troops engaged was highly creditable to them.

No. 83.

FROM

MAJ.-GENL. SIR J. OUTRAM, G. C. B.,
Commanding 1st Division,

TO

THE DEPT. ADJT. GENL. OF THE ARMY.

Camp, Alum Bagh, 21st Feb. 1858.

SIR,

I HAVE the honor to report that this morning the Enemy attacked my position, and with the usual result.

2. Having filled all their trenches with as many men as they would hold, and placed large masses of Infantry in the tipes all along our front in support of them, they commenced a simultaneous movement round both our flanks, at the same time threatening the whole length of our position, and attacking the North-east corner of the Alum Bagh, and also the Picquet and Fort of Jellalabad, against which they brought 4 Guns.

3. I immediately, on perceiving their intention, re-inforced the posts of Alum Bagh and Jellalabad, which easily repulsed the attacks made on them, and inflicted much loss on the assailants, who had advanced under cover of long grass and underwood within grape shot range of both these posts.

4. I detached about 250 Cavalry and 2 Field Guns to the rear of the Fort of Jellalabad,

under Command of Captain Barrow Volunteer Cavalry, where they suddenly came on about 2,000 of the Enemy's Cavalry. Our Guns immediately opened on them, killing several, which caused them to withdraw to the immediate vicinity of the Infantry, attacking the Fort in number about 5,000; they remained there until the attack was abandoned, when they all withdrew towards the City.

5. The attack on our left flank was made by about from 8 to 10,000 Infantry and 500 Cavalry, to oppose whom I sent out the remaining 4 Field Guns available, supported by the Military Train (120 in number) under Command of Major Robertson, of the Military Train, keeping the 2nd Infantry Brigade in reserve. The Cavalry and Guns soon drove back the Enemy's Cavalry, and their Infantry then halted, and on the Guns being turned on them, soon commenced to retreat also, and were followed up by us until within range of their Batteries.

6. A large Convoy was on the road at the time, the escort required for which materially crippled our small Cavalry Force, and prevented any thing more being effected than frustrating their attempts to gain our rear and molest the Convoy.

7. The reports from the City state the Enemy to have lost 60 killed and 200 wounded in their attack on Alum Bagh, and about 80 or 90 killed and wounded in front of Jellalabad. This was exclusive of their loss on the left flank, and along our front, where our heavy Artillery had constant opportunities of firing shell and shrapnel into the midst of their moving masses. I consider their loss to have been heavier than on any of their previous attacks.

8. I have the pleasure to state that, as on all former occasions, the conduct of the Troops engaged, both Officers and Men, was admirable.

9. Majors Tinkling, 90th Light Infantry, and Nicholson, Royal Engineers, Commanded respectively at Alum Bagh and Jellalabad, and defended their posts with much spirit. Major Nicholson

particularly praises the energy with which Lieutenant Ford, of the Royal Artillery, opposed the fire of the Enemy's 4 Guns with the only Gun that could be brought to bear on them.

10. Our loss amounted to nine wounded.

A Nominal Roll is transmitted herewith.

RETURN of Casualties in the Field Force under the Command of Major-General Sir James Outram, G. C. B., on the 21st February 1858.

Legislative Council of India.

The 6th March 1858.

THE following Bill was read a second time in the Legislative Council of India on the 6th March 1858, and was referred to a Select Committee, who are to report thereon (under a suspension of the Standing Orders) within one month:—

A Bill to facilitate the recovery of land and other real property, of which possession may have been wrongfully taken during the recent disturbances in the North-Western Provinces of the Presidency of Bengal.

WHEREAS there is reason to believe that, during the recent disturbances in the North-Western Provinces of the Presidency of Bengal, many persons have, without authority of law, been dispossessed of and or other real property; and it is expedient to provide a more easy and speedy means whereby they may obtain redress than is afforded by the ordinary remedy of a regular Civil action: It is enacted as follows:—

I. It shall be lawful for the Governor General in Council, or for the Executive Government of any place within the North-Western Provinces of the Presidency of Bengal, to appoint one or more Special Commissioners for the summary determination of cases of wrongful dispossession of land or other real property within the provisions of this Act; and to assign, from time to time, such local jurisdiction to the Special Commissioner or Commissioners so appointed as may appear proper.

II. Whenever any Special Commissioner, appointed under this Act, shall be vested by order of the Governor General in Council, or of such Executive Government, with jurisdiction in any District or Districts or in any part or parts of any District or Districts within the limits of the North-Western Provinces of the Presidency of Bengal, notice thereof shall be given by proclama-

mation in the several Courts and in the Offices of the several Collectors and Magistrates of such District or Districts; and the

Certain powers of the Civil Courts temporarily suspended.

powers heretofore vested in the Courts of such District or Districts, in respect of all cases cognizable by the Special Commissioners appointed under this Act, shall be suspended until such Courts shall be informed by an order, under the signature of the Secretary to Government, that the local jurisdiction of the Special Commissioner has ceased. Provided that nothing in this Section shall interfere with the trial and decision of any case which may be pending before any Court at the time of the passing of this Act, unless such case be transferred for trial and decision to a Special Commissioner appointed under this Act.

Proviso.

Disposal of pending cases.

III. Any case pending before any Court at the time of the passing of this Act, in respect of a matter made cognizable by a Special Commissioner appointed under its provisions, shall, on the application of the party complaining, be transferred to the Special Commissioner within the limits of whose jurisdiction the property in dispute is situate; and such Commissioner shall summon the defendant and proceed to dispose of the case in the same manner as if it had been instituted before himself.

IV. The Special Commissioners appointed under this Act may hold a Court at any place within the limits of their jurisdiction, which may appear most convenient for the trial of cases brought before them.

V. Whenever any Special Commissioner shall be vested with jurisdiction under this Act, such Commissioner shall issue a proclamation requiring all persons within the limits of his jurisdiction who may, without authority of law, have taken possession of any land or other real property situated within such limits, subsequently to the 10th May 1857, to deliver up the same, within a period to be fixed in the proclamation, to the party who was in possession at the time when such unlawful possession was taken; and warning all persons that, in the event of their failing to comply with such requisition, and of its being afterwards proved, on the complaint of the party ousted, that they had, without authority of law, taken possession of the land or other real property mentioned in the complaint, subsequently to the said 10th May 1857, and that they continue in possession of the same, they will not only be ejected from such land or other real property, and be compelled to account for any mesne profits that may have accrued during the period that they may have held possession thereof, but will also be liable to such punishment as the Special Commissioner may award under the powers vested in him by this Act. Copies of such proclamation shall be affixed in the Court of the Special Commissioner, and in the several Courts and Offices of the Collectors and Magistrates of the District or Districts to which the jurisdiction of the Special Commissioner may extend.

VI. After the expiration of the period mentioned in the proclamation, any person who may, without authority of law, have been dispossessed of any land or other real property subsequently to the said 10th May 1857, may apply to the Commissioner, within whose jurisdiction such land or other real property is situate, to be reinstated in the possession of the same. The application may be written on plain paper, and shall contain the following particulars:

1. Name, description, and place of abode of the Plaintiff

2. Name, description, and place of abode of the Defendant.

3. The subject of the complaint, the title under which the Plaintiff claims to have been in possession thereof, and the date on which he was dispossessed.

VII. Whenever such application may be made, the Special Commissioner shall examine the Plaintiff on oath or solemn affirmation as to the truth of his complaint; and if satisfied that there is probable cause for instituting the complaint, he shall issue a summons requiring the Defendant to appear and make defence in person on a day to be fixed in the summons, or he may issue his warrant for the arrest of the Defendant and for his being brought before his Court on a day to be fixed in the warrant. Provided that the Special Commissioner may, for any good or sufficient reason, excuse the Plaintiff or Defendant from attending his Court in person and allow him to appear by a duly authorized representative.

VIII. On the day fixed for the appearance of the Defendant, the parties shall bring their witnesses into Court, together with any documents on which they may intend to rely in support of their respective statements; and if either party require the assistance of the Special Commissioner to procure the attendance of a witness on such day, he shall apply to the Special Commissioner in sufficient time previous to the day fixed for the appearance of the Defendant, and the Special Commissioner shall issue a subpoena requiring such witness to attend his Court on that day.

IX. On the day fixed for the appearance of the Defendant, or as soon after as may be practicable, the Special Commissioner shall proceed to examine the parties and their witnesses; and if, upon such examination, and after inspecting the documents of the parties, and making any further enquiry which may appear to him necessary, the Special Commissioner shall be of opinion that the complaint is substantiated, he shall record a proceeding ordering the plaintiff to be put again into possession of the property in dispute, and to be maintained in possession thereof; he may also adjudge the Plaintiff to be en-

titled to recover from the Defendant mesne profits for the period during which the Defendant may be found to have been in possession of the property. It shall further be lawful for the Special Commissioner, on proof that the Defendant continued in possession of the property in dispute after the expiration of the period fixed by the proclamation, to sentence him to imprisonment in the Criminal jail with or without labor for a period not exceeding seven years, or to a fine, or to both imprisonment and fine.

X. The order of the Special Commissioner for giving possession of the whole or any portion of the land or other real property to which the complaint may relate, shall be immediately executed; and it shall be competent to the Special Commissioner to call in the aid of the Magistrate, if necessary, for the purpose of enforcing the same. If the order adjudge the Defendant to be liable to pay to the Plaintiff mesne profits for the period during which he may have been in possession of the property in dispute, the amount shall be adjusted by a reference to the Collector; and it shall be competent to the Collector to levy the amount which may be awarded by him, together with the amount of any fine which may have been imposed upon the Defendant, by the same process as is authorized for the recovery of arrears of the public Revenue.

XI. All orders passed by a Special Commissioner in cases cognizable under this Act, shall be final; but nothing in this Act shall be held to preclude either of the parties to the case from instituting a regular suit to establish his right to the property in dispute, under the rules applicable to regular Civil actions.

XII. This Act may be extended by the Governor General in Council, or by the Executive Government of any Presidency or place other than the North-Western Provinces of the Presidency of Bengal, to any District or Districts within the limits of their respective Governments; and it shall be lawful for the Governor General in Council or such Executive Government to exercise, in the District or Districts to which this Act may be so extended, all the powers vested by this Act in the Governor General in Council or the Executive Government of any place in the North-Western Provinces of the Presidency of Bengal.

XIII. This Act shall continue in force for the period of three years.

Legislative Council of India.

The 6th March 1858.

THE following Bill was read a second time in the Legislative Council of India on the 6th March 1858, and was referred to a Select Committee, who are to report thereon (under a suspension of the Standing Orders) within one month:—

A Bill to facilitate the recovery of land and other real property, of which possession may have been wrongfully taken during the recent disturbances in the North-Western Provinces of the Presidency of Bengal.

WHEREAS there is reason to believe that, during the recent disturbances in the North-Western Provinces of the Presidency of Bengal, many persons have, without authority of law, been dispossessed of and or other real property; and it is expedient to provide a more easy and speedy means whereby they may obtain redress than is afforded by the ordinary remedy of a regular Civil action: It is enacted as follows:—

I. It shall be lawful for the Governor General in Council, or for the Executive Government of any place within the North-Western Provinces of the Presidency of Bengal, to appoint one or more Special Commissioners for the summary determination of cases of wrongful dispossession of land or other real property within the provisions of this Act; and to assign, from time to time, such local jurisdiction to the Special Commissioner or Commissioners so appointed as may appear proper.

II. Whenever any Special Commissioner, appointed under this Act, shall be vested by order of the Governor General in Council, or of such Executive Government, with jurisdiction in any District or Districts or in any part or parts of any District or Districts within the limits of the North-Western Provinces of the Presidency of Bengal, notice thereof shall be given by procla-

mation in the several Courts and in the Offices of the several Collectors and Magistrates of such District or Districts; and the

Certain powers of the Civil Courts temporarily suspended.

powers heretofore vested in the Courts of such District or Districts, in respect of all cases cognizable by the Special Commissioners appointed under this Act, shall be suspended until such Courts shall be informed by an order, under the signature of the Secretary to Government, that the local jurisdiction of the Special Commissioner has ceased. Provided that nothing in this Section shall interfere with the trial and decision of any case which may be pending before any Court at the time of the passing of this Act, unless such case be transferred for trial and decision to a Special Commissioner appointed under this Act.

Proviso.

nothing in this Section shall interfere with the trial and decision of any case which may be pending before any Court at the time of the passing of this Act, unless such case be transferred for trial and decision to a Special Commissioner appointed under this Act.

III. Any case pending before any Court at the time of the passing of this

Disposal of pending cases.

Act, in respect of a matter made cognizable by a Special Commissioner appointed under its provisions, shall, on the application of the party complaining, be transferred to the Special Commissioner within the limits of whose jurisdiction the property in dispute is situate; and such Commissioner shall summon the defendant and proceed to dispose of the case in the same manner as if it had been instituted before himself.

IV. The Special Commissioners appointed under this Act may hold a Court

at any place within the limits of their jurisdiction, which may appear most convenient for the trial of cases brought before them.

V. Whenever any Special Commissioner shall be

Issue of proclamation.

vested with jurisdiction under this Act, such Commissioner shall issue a proclamation requiring all persons within the limits of his jurisdiction who may, without authority of law, have taken possession of any land or other real property, situate within such limits, subsequently to the 10th May 1857, to deliver up the same, within a period to be fixed in the proclamation, to the party who was in possession at the time when such unlawful possession was taken; and warning all persons that, in the event of their failing to comply with such requisition, and of its being afterwards proved, on the complaint of the party interested, that they had, without authority of law, taken possession of the land or other real property mentioned in the complaint, subsequently to the said 10th May 1857, and that they continue in possession of the same, they will not only be ejected from such land or other real property, and be compelled to account for any mesne profits that may have accrued during the period that they may have held possession thereof, but will also be liable to such punishment as the Special Commissioner may award under the powers vested in him by this Act. Copies of such proclamation shall be affixed in the Court of the Special Commissioner, and in the several Courts and Offices of the Collectors and Magistrates of the District or Districts to which the jurisdiction of the Special Commissioner may extend.

VI. After the expiration of the period mentioned in the proclamation, any

Applications by persons unlawfully dispossessed.

person who may, without authority of law, have been dispossessed of any land or other real property subsequently to the said 10th May 1857, may apply to the Commissioner, within whose jurisdiction such land or other real property is situate, to be reinstated in the possession of the same. The application may be written on plain paper, and shall contain the following particulars:

1. Name, description, and place of abode of the Plaintiff.

2. Name, description, and place of abode of the Defendant.

3. The subject of the complaint, the title under which the Plaintiff claims to have been in possession thereof, and the date on which he was dispossessed.

VII. Whenever such application may be made,

Procedure before day of hearing. the Special Commissioner shall examine the Plaintiff on oath or solemn affirmation as to the

truth of his complaint; and if satisfied that there is probable cause for instituting the complaint, he shall issue a summons requiring the Defendant to appear and make defence in person on a day to be fixed in the summons, or he may issue his warrant for the arrest of the Defendant, and for his being brought before his Court on a day to be fixed in the warrant. Provided that the Special Commissioner may, for any good or sufficient reason, excuse the Plaintiff or Defendant from attending his Court in person and allow him to appear by a duly authorized representative.

VIII. On the day fixed for the appearance of

Attendance of witnesses. the Defendant, the parties shall bring their witnesses into

Court, together with any documents on which they may intend to rely in support of their respective statements; and if either party require the assistance of the Special Commissioner to procure the attendance of a witness on such day, he shall apply to the Special Commissioner in sufficient time previous to the day fixed for the appearance of the Defendant, and the Special Commissioner shall issue a subpoena requiring such witness to attend his Court on that day.

IX. On the day fixed for the appearance of

Procedure on day of hearing. the Defendant, or as soon after as may be practicable, the

Special Commissioner shall proceed to examine the parties and their witnesses; and if, upon such examination, and after inspecting the documents of the parties, and making any further enquiry which may appear to him necessary, the Special Commissioner shall be of opinion that the complaint is substantiated, he shall record a proceeding ordering the plaintiff to be put again into possession of the property in dispute, and to be maintained in possession thereof: he may also adjudge the Plaintiff to be en-

titled to recover from the Defendant mesne profits for the period during which the Defendant may be found to have been in possession of the property. It shall further be lawful for the Special Commissioner, on proof that the Defendant continued in possession of the property in dispute after the expiration of the period fixed by the proclamation, to sentence him to imprisonment in the Criminal jail with or without labor for a period not exceeding seven years, or to a fine, or to both imprisonment and fine.

X. The order of the Special Commissioner for giving possession of the whole or any portion of the land or other real property to which the complaint may relate, shall be immediately executed; and it shall be competent to the Special Commissioner to call in the aid of the Magistrate, if necessary, for the purpose of enforcing the same. If the order adjudge the Defendant to be liable to pay to the Plaintiff mesne profits for the period during which he may have been in possession of the property in dispute, the amount shall be adjusted by a reference to the Collector; and it shall be competent to the Collector to levy the amount which may be awarded by him, together with the amount of any fine which may have been imposed upon the Defendant, by the same process as is authorized for the recovery of arrears of the public Revenue.

XI. All orders passed by a Special Commissioner in cases cognizable under this Act, shall be final; but nothing in this Act shall be held to preclude either of the parties to the case from instituting a regular suit to establish his right to the property in dispute, under the rules applicable to regular Civil actions.

XII. This Act may be extended by the Governor General in Council, or by the Executive Government of any Presidency or place other than the North-Western Provinces of the Presidency of Bengal, to any District or Districts within the limits of their respective Governments; and it shall be lawful for the Governor General in Council or such Executive Government to exercise, in the District or Districts to which this Act may be so extended, all the powers vested by this Act in the Governor General in Council or the Executive Government of any place in the North-Western Provinces of the Presidency of Bengal.

XIII. This Act shall continue in force for the period of three years.

We forward herewith three Copies of a Royal Warrant, dated 20th July 1857, No. 124, relating to "Good Conduct Pay," which is to be substituted for the Warrant previously issued of the same number and date:—

No. 124.

VICTORIA R.

WHEREAS by Our Royal Warrant of the 1st July, 1848, and Ordnance Regulations of 1st November, 1850, founded on the said Royal Warrant, it is declared that the distinction and rewards for good conduct shall not extend to Serjeants and other Non-Commissioned Officers above the rank of Corporal: And whereas it is further declared that Bombardiers or Corporals shall not be entitled to have their good conduct pay added to their pension on discharge, but that they shall have the option of having their pensions computed as Privates, either with the addition of good-conduct reward, or with the addition of one-half penny per diem for each year of service completed in the rank of Bombardier or Corporal, Our Will and Pleasure is, that all

Bombardiers and Corporals, who enlisted into our Service in the Cavalry or Infantry subsequently to the 1st March, 1833, and in the Artillery or Engineers subsequently to 15th April, 1833, and who may have been, or who shall hereafter be, discharged after completing twenty-one years' service in the Artillery, Engineers, or Infantry, or twenty-four years' service in the Cavalry, shall be entitled to have their pensions computed according to the scale prescribed in the second portion of the ninth clause of Our said Royal Warrant and Regulations; and shall also be allowed to add the good-conduct pay of which they shall have been in possession when discharged, to augment the rate of pension to a sum not exceeding one shilling and sixpence a day.

It is Our further Will and Pleasure that all Serjeants and other Non-Commissioned Officers above the rank of Corporal, who enlisted in the Cavalry or Infantry subsequently to the 1st March, 1833, and in the Artillery or Engineers subsequently to 15th April, 1833, and who may have been, or who shall hereafter be, discharged after twenty-one years' service in the Artillery, Engineers, or Infantry, or twenty-four years' service in the Cavalry, shall be entitled to have their pensions computed according to the scale prescribed in the said article of Our said Royal Warrant; and shall also be entitled to have their service as Serjeant reckoned as good-conduct service to enable them to add to the rate of good-conduct pay which they had acquired prior to promotion, and to carry the whole to increase their pension: Provided always, that the amount of pension thus to be awarded shall, in no case, exceed the maximum pension prescribed by Our said Royal Warrant of the 1st July, 1848; namely, for a Serjeant-Major two shillings and sixpence a day; for a Quarter-Master Serjeant, two shillings and three-pence; and for a Troop Serjeant-Major, Colour Serjeant or Serjeant, two shillings a day.

And whereas by the fifth paragraph of the twenty-first clause of Our said Royal Warrant of the 1st July, 1848, and the same paragraph and clause of the Ordnance Regulations of 1st November, 1850, it is declared that Soldiers who had enlisted in the Cavalry or Infantry before the 2nd March, 1833, and in the Artillery or Engineers before the 16th April, 1833, shall not be entitled to have their good-conduct pay added to their pension on discharge: Our Will and Pleasure further is, that all such Soldiers, *except those who have been discharged upon the modified rate of pension, whether Privates, Bombardiers, Corporals, Serjeants, or other Non-Commissioned Officers above the rank of Corporal, who since the grant of good-conduct pay have been or may hereafter be discharged, shall have the option of being pensioned for service alone, without any consideration for good-conduct pay, under the provisions of the Warrant of the 14th November, 1829, or of receiving their good-conduct pay or good-conduct service in addition to such rates of pension as men of similar length of service, enlisted in the Cavalry or Infantry after the 1st March, 1833, and in the Artillery or Engineers after the 15th April, 1833, would be entitled to under the provisions of the Warrant of the 1st July, 1848, and Regulations*

of 1st November, 1850 ; provided, however, that the pension, except for wounds received in action, shall in no case exceed, for a Gunner and Driver Sapper or Private one shilling and three-pence ; for a Bombardier or Corporal one shilling and six-pence ; for a Serjeant, Troop Serjeant-Major, or Colour Serjeant, two shillings ; for a Quarter-Master Serjeant, two shillings and three-pence ; and for a Serjeant-Major, two shillings and six-pence a day.

ALLAHABAD, TUESDAY, MARCH 9, 1858.

Notifications, Appointments, &c.

*Foreign Department,
Allahabad, the 9th March 1858.*

The Right Hon'ble the Governor General has the gratification of publishing the following Report of an action fought on the banks of the Gogra, near the village of Phoolpore, in which the Sarun Field Force, under Colonel Rowcroft, re-inforced by the 2nd Brigade 1st Division of the Nepalese Troops, under the Command of Maha Rajah Jung Bahadoor, overthrew and dispersed a Rebel Force under the guidance of Gholam Hossein, capturing 3 Guns, Camp Equipage, &c., and securing the passage of the River.

In this engagement, His Excellency the Maha Rajah Jung Bahadoor, himself laying a Gun from one of his own Batteries, blew up one of the Enemy's tumbrils.

To Colonel Rowcroft, Commanding the Sarun Field Force, to Brigadier Junga Doje, Commanding the Goorkha Brigade, and to all the Officers and Men under them, the Right Hon'ble the Governor General offers his cordial acknowledgments of their gallant exertions on this occasion.

By Order of the Right Hon'ble the Governor General.

FROM

BRIGDR GENL G. H. MACGREGOR, C. B.,

TO

THE SECRETARY TO GOVERNMENT,
*with the Governor General,
Foreign Dept. at his Head Quarters,
Allahabad,
Camp, Mobarruckpore, 25th Feb. 1858.*

SIR,

I HAVE the honor to enclose, for the information of the Right Hon'ble the Governor General in Council, the report of an action fought about two miles in front of the village of Phoolpore, between the Sarun Field Force, under Colonel Rowcroft, re-inforced by the 2nd Brigade of the 1st Division of the Nepalese Army, and the Enemy under Command of Gholam Hossein, son of Mahomed Hossein.

2. The Enemy, about 2,000 strong, with some Cavalry and 5 Guns, occupied a position on the right bank of the River, with their left resting on it. Colonel Rowcroft marched to attack them, and after an action of an hour, the details of which are given in his own Despatch, the Enemy was completely defeated and driven from the Field, with the loss of three of his 5 Guns, Camp Equipage, &c.

3. Colonel Rowcroft's attack was materially aided by the fire of a Battery which was disposed on the left bank of the River by His Excellency Maha Rajah Jung Bahadoor in person, who rode down to the bank on hearing the firing, and observing that the position of the battery entailed

the left of the Enemy's position, he immediately ordered it to open fire. The fire was most effective; it silenced the Enemy in that part of the line before the action ceased on the right, and a shot from a Gun laid by His Excellency himself, blew up one of the Rebel's tumbrils.

4. In conclusion, it is my pleasing duty to bring to the notice of His Lordship in Council, the names of the Officers who distinguished themselves in this gallant and, as affecting the crossing of the River, very important action.

5. Brigadier Junga Doje, Commanding the 2nd Goorkha Brigade, Colonel Turke Khan, Commanding Seereenath Regiment, Colonel Shree-kissna Sahau, Commanding Jangennath Regiment, and Major Captain Sreebukht Kunka, Commanding Ramdull Regiment, zealously exerted themselves in the Field and did good service. Colonel Lal Singh, Commanding the Battery on the left bank of the River, Major Captain Soogin Singh, Commanding Goorkha Artillery with the 2nd Brigade and Lieutenant Tuckman Jaissee, in charge of a half Battery, all distinguished themselves by their zeal and precision of fire. To all these Officers and the whole Goorkha Troops engaged, my best acknowledgments are due.

6. I beg to bring prominently to the notice of His Lordship in Council the services of Colonel Rowcroft, Commanding the Sarun Field Force; the skilful dispositions which he made, and the admirable manner in which he carried them out, left nothing to be desired. His complete success secured the passage of the River.

7. To Captain Sotheby and Lieutenant Turnour, R. N., the Hon'ble V. A. Montague, Acting A. D. C. to Colonel Rowcroft, Lieutenant Pym, Commanding Royal Marines, and all the Officers and Men of the Naval Brigade, my best thanks are due for their zeal and bravery.

8. Captain Morgan, Field Force Staff, is most honorably mentioned by Colonel Rowcroft, and Lieutenant Burlton, Commanding Detachment of Sikhs; to both these Officers my acknowledgments are due.

9. Captain Brooks, attached to the Ramdull Regiment, greatly distinguished himself. This Officer's leading of the attack on the left attracted the particular notice of His Excellency the Maha Rajah, who personally mentioned it to me.

10. Lieutenant Sankey, Engineers, was on the Field, and made himself useful, carrying orders for Colonel Rowcroft.

11. The Officers attached to Brigadier Junga Doje's Brigade, Captain Montgomery, and Lieutenants Francis and Gibb, are also honorably mentioned.

I have, &c.,

To

BRIGD. GEN. MACGREGOR, C. B.,
Military Commissioner,
with Maha Rajah Jung Bahadoor,
Camp Phoolpore.
Camp near Phoolpore, right bank of
the Gogra 22nd February 1858.

Sir,

I HAVE the honor to report to you, for the information of the Right Hon'ble the Governor General and His Excellency the Commander-in-Chief, the following movements and operations of the Field Force under my Command.

2. Late on the evening of the 18th Instant, it was decided to give up the preparations for crossing the River Gogra at Chupra Ghat, with the whole Field Force then under my orders, my Force having been re-inforced by the 2nd Brigade of three Regiments and 6 Guns of the 1st Division of Nepalese Troops, as likely to cause much delay in the upward progress of the fleet of boats. The necessary orders were issued for the fleet of boats under charge of Captain Reid, with escort, as formerly, of a detachment of the Naval Brigade and Sikh detachment, with the addition of 2 Companies of the Ramdull Goorkha Regiment and two 12-Pounder Howitzers, under the Command of Captain Sotheby, R. N., of H. M. Steam Frigate *Pearl*, to continue progress next morning. I ordered 2 Companies and 3 Guns of the 2nd Brigade to march early the next morning up the bank of the River, about three miles, to cover and protect the fleet of boats and Steamer *Jumna*. While passing the Fort of Chibora, on the right bank of the River, reported to be occupied by the Enemy. I marched the next morning at 9 o'clock with the remainder of the Naval Brigade and four Goorkha Regiments with Artillery for the Village and Fort of Nourainee, to cover and protect the fleet of boats and Steamer at that point. After a nine hours' march of twenty miles, arrived on the left bank of the River opposite Nourainee at 5½ P. M., the latter part of the march being through very heavy deep sand, at the same time with the leading boats. I wrote to Captain Sotheby on the Steamer, then a little lower down the River, to move up and prepare for disembarking the Detachment of Naval Brigade, to cross the River that night at 10 o'clock. The Naval Brigade and two 12-Pounder Howitzers, under the Command of Captain Sotheby, R. N., 5 Companies of Ramdull Goorkha Regiment and Detachment of Sikhs, embarked in boats, and we crossed the River to right bank, the Naval Brigade men having to pull the Guns through a long deep sand, assisted by some Goorkhas of the Ramdull Regiment; and about 12 o'clock we had seized and occupied the Village and Fort of Nourainee, finding it evacuated by the Enemy. We remained close to the Village and Fort in bivouac till morning. Captain Reid and Lieutenant Sankey accompanied the Troops.

3. That same day, 20th Instant, prepared to move to attack the Enemy, reported to be encamped near Phoolpore, about six miles distant, on right bank. Every exertion was made by Captain Sotheby, Officers and Men of the Naval Brigade, to ferry over spare Ammunition, &c. Captain Montgomery, in Military charge of 2nd Brigade, under Command of Brigadier Junga Doje, and

with the Goorkha Officers, exerted themselves to cross their Men and Guns not having arrived the night before, about 1 o'clock P. M. 20th Instant,

I marched with the Force as per margin, after a march of some six miles, through fields and heavy cultivation and woods, found the Enemy in position in a wood on the

banks of the River beyond

Phoolpore. Gholam Hossein, son of the Nazim Mahomed Hossein, being the chief Officer present, with Ali Hyder, in immediate Command, were in position near and in a wood, with some broken ground in their front, and their left on the River. The Enemy then kept up a sharp cannonade for nearly an hour, which was briskly replied to by the Naval Brigade Artillery, under charge of Lieutenant Turnour, R. N., a most zealous active Officer, and most actively and zealously superintended by Captain Sotheby, Commanding the Naval Brigade of the *Pearl*, whose fire was most effective. Lieutenant Pym, R. N., in charge of the Royal Marines of H. M. Steam Frigate *Pearl*, skirmished to the front, doing excellent service with their rifles, pressing forward most gallantly, capturing one Gun, turning it on the Enemy, and firing nine rounds of grape, also capturing a second Gun aided by a few Sikhs and Goorkhas, a third Gun being captured by the Goorkhas; the Goorkha Skirmishers I had ordered out early on the right flank, having pressed on rapidly into action. Lieutenant Pym, R. N., brings to notice the gallant bearing of Acting Sergeant Francis Butler, of the Woolwich Division, during the action, who rendered him great assistance, also the admirable conduct of all the Marines. The Goorkha Artillery in the centre and on the right flanks, by a flank movement I made to the left, were somewhat thrown to the right rear, but rapidly pushed into action through a village and heavy cultivation, opening their Guns with effect upon the Enemy. In about an hour, the Enemy gave way and were speedily in full retreat, defeated and routed with the loss of three of their 6 Guns, and a portion of their Camp Equipage. The Enemy were reported to be 2,000 strong, including 200 Sepoys, a few hundred Cavalry and five Guns in the field; some having gone off earlier in the day with their heavy baggage. Being nearly dark when the action ceased, and the cultivation very heavy, it was impossible to ascertain the number of the Enemy killed; but many were found afterwards in the different fields, and the Enemy are reported to have carried away a number of their wounded, their Command an Ali Hyder being severely wounded on the thigh. Our Casualty List, I am happy to say, is very light; the action ceased a little earlier on the right by the River; the Naval Column and Guns and part of Ramdull Regiment pursued the Enemy till nearly dark. We then moved to our right rear to rejoin the other portion of the Force. One hour more of day light would have given us greater success.

4. Captain Brooks, in Military charge of the Ramdull Regiment, zealously exerted himself during the action. Captain Montgomery, in Military charge of 2nd Brigade of Goorkhas, and Lieutenant Francis, attached to the Jungnath Regiment, greatly exerted themselves. Captain Morgan, my Field Force Staff, was most zealous in

giving his services wherever required. Lieutenant Burton, in charge of the Detachment of Sikhs, was most useful and active, and skirmishing to the front with his active ready men. The Hon'ble V. A. Montague, R. N., my acting Aide-de-Camp, was active and zealous, carrying orders, and Lieutenant Sankey, of Engineers, afforded me every assistance, and in passing orders in the Field.

5. Brigadier Junga Doje, Commanding 2nd Goorkha Brigade, Colonel Turke Khan, Commanding Seereenath Regiment, Colonel Seere Kishoon Sahaee, Commanding Jangnath Regiment, Major Captain Seerebukht Kunka, Commanding Ramdull Regiment, zealously exerted themselves in the Field; 1st Lieutenant Gibb, Bengal Artillery attached to the Goorkha Artillery, was very active and zealous in affording every assistance to bring the Guns rapidly into action, and he reports Major Captain Soojin Singh, Commanding Goorkha Artillery, and Lieutenant Tuckman Jaisee, in charge of a half Battery, evinced much zeal during the action, the latter forcing his Guns through a village and difficult to bring them into action.

6. A battery of 6 Guns, placed on the left bank of the River by His Highness Jung Bahadoor, did excellent service under the orders of His Excellency, playing on the left flank of the Enemy, and one shot breaking up one of their tumbrils.

7. Drs. Shore and Dickenson, Naval Brigade, Drs. Morton and Playfair, attached to the 2nd Brigade of Goorkhas, and Dr. Hilson, attached to the Ramdull Regiment, were present and active in the Field, and ready for any emergency. The Naval Chaplain, the Reverend Mr. Williams, was present in the Field.

8. I shall esteem it a favor if you will bring to the favorable notice of the Right Hon'ble the Governor General, and His Excellency the Commander-in-Chief, the Officers and Troops mentioned and engaged in the action and operations reported in the Despatch, attended with such complete results, and the attainment of the urgent object you had in view, the safe and easy construction of a bridge-of-boats over the Gogra at Phoolpore, for the passage of the Troops under the Command of His Highness Maha Raja Jung Bahadoor, into Oude.

9. I beg to annex a Casualty List and a List of Guns and Ordnance Stores captured.

N., Commanding the escort of the fleet of boats for the bridging of the Gogra, of a most gallant and creditable affair between the Enemy and the Escort, under the Command of Captain Sotheby, which resulted in the capture of the strong Fort of Chandepoor and the safe passage of the Fleet.

2. I would beg to bring to the notice of His Lordship in Council the gallant and spirited conduct of all the Officers and Men engaged on this occasion, and particularly that of Captain Sotheby.

COLONEL ROWCROFT,
Comdg. Field Force, Phoolpoo,
Camp, Phoolpoo 22nd Feb. 1858.

SIR,

I HAVE the honor to acquaint you, whilst escorting the fleet of 150 boats up the Gogra, I received information that the Village and Fort of Chandepoor on the right bank were strongly held by the Enemy, who intended to resist the

progress of the boats.

150 of the Naval Brigade
85 Seikhs,
60 Goorkhas.

I therefore landed on the 17th Instant at 10 A. M., two miles below, with the Force named in the margin, to attack the Fort, and clear away all obstruction. Line being formed by the Seamen, with a Mountain Howitzer in the centre under Lieutenant Twinons, preceded by a strong body of Marines and Seamen as Skirmishers, with supports of Seikhs and other Seamen under Captain Weson, 36th Regiment Native Infantry, and a reserve of Goorkhas, I quickly advanced through the thick cover and high growing crops; passing through the village, found it deserted; but on emerging from it, the Skirmishers were received by a heavy fire of Musketry and Guns from men concealed in rifle pits, in the thick prickly jungle of bamboo which surrounded the Fort. Captain Weston gallantly dashed forward, and whilst trying to force in the wicker gate, was badly wounded in the shoulder by a villain who had just implored mercy, and was carried to the rear. Mr. Ingles, mate, then took charge of the Skirmishers, and a good fire was kept up on both sides, our men getting shelter in the village; the Gun was quickly pushed up within 100 yards of the entrance and plied the jungle wall with grape. At the same time I ordered Mr. Fowler, in the *Jumna Steamer*, to advance and enfilade the Fort with grape, which made it too hot, and the Goorkhas threatening the right flank, the Rebels being afraid of their retreat being cut off, fled through the jungle in the rear as we entered in the front, leaving behind them two Guns with spare waggon, ammunition, &c., and a quantity of silk dresses, silver-mounted swords, ornaments, money, &c., which evidently belonged to some influential men. The action commenced at 11, and firing ceased at 12-15.

The Enemy is supposed to have been about 300, but probably not many killed, as they were perfectly concealed. Our casualties were four wounded—two severely. I did not attempt to pursue them from the smallness of my Force, and the object perfectly accomplished, having passed up the Fleet, I burnt the Fort and adjacent buildings, withdrew the pickets, re-embarked on the Steamer, and proceeded up the River; but it being dark, without a Pilot, we shortly grounded and remained exposed to the shore till the next morning.

I have now much pleasure in bringing to your notice the cheerful manner of all under my Command, and especially I beg to recommend to the consideration of the Commander-in-Chief the gallant conduct of that fine Soldier, Captain Weston, whose temporary loss from his severe wound every one in the Camp most deeply deploras. Lieutenant Burton, 40th Native Infantry, with his Seikhs were as usual well forward, and the Goorkhas, under Captain Davidus Opadeeah, rendered good service. I am also much indebted to Captain Reid, 37th Native Infantry, for his valuable service, who landed as a Volunteer from his charge of the boats. Drs. Shore, R. N., and Hilson, H. E. I. C. S., were in close attendance with the wounded.

It is nearly impossible to describe the strength of the Fort, peculiar to Oudh surrounded by a thick jungle of prickly bamboo nearly impassable with high banks. Inside was a line of rifle-pits and loop-holed breast works with a zig-zag path with gates, leading to a second set, and in front

of the Fort were bastions with a sort of parapet all loop-holed, as were all the other buildings in the place, all round which was thick cover.

The following Officers were also present :—

Lord Charles ~~Salt~~, Mr. Foot, Mr. Stephenson and Mr. Cooley, Boatwain, and the ~~Jumna~~ Steamer, Captain William ~~Steele~~, was well handled.

The Right Hon'ble the Governor General is pleased to notify that the spirit of the following Rules, regarding the forfeiture of Military Pensions, published in Government Order of Governor General, dated 1st December 1857, No. 1514, will be held applicable to Civil Pensions also.

W. MUIR,
Secy. to Govt. N. W. P.

No. 1534 of 1857.—On the 10th of July last the Right Hon'ble the Governor General in Council was pleased to proclaim that every Pensioner of the Government who conceals or harbours any person whom he knows or has reason to believe to have been guilty of Mutiny or Desertion or of waging War against the Government, or of seducing or attempting to seduce any Officer or Soldier from his allegiance or duty, or who fails to do his utmost to secure the apprehension and conviction of such offender, or who neglects to give immediate notice to the Civil or Military Authorities of any Mutinous or Rebellious designs of which he may become cognizant, shall, in addition to the punishment to which he is liable by Law, forfeit his Pension.

The Right Hon'ble the Governor General in Council now further proclaims that all Male Pensioners who shall fail to present themselves at the Offices where they have heretofore been paid within the prescribed periods of payment,* or who,

coming in, shall fail to establish a reasonable ground for believing that they have not only not joined in the Rebellion, but that they have, according to their opportunities, taken part with the Government, will forfeit their Pensions.

Upon the arrival of any Pensioner at the Station where payment is customarily made, a Committee of Officers will be appointed, under the orders of the Officer Commanding, to institute a rigid enquiry and to record its opinion, whether or not the conduct of such Pensioner has been such as to call for a forfeiture of his Pension.

At Stations where Committees cannot be convened, the Pension Pay Master or the Civil Authorities will institute such strict investigation into the cases of Pensioners as may be practicable, recording the facts of the case as well as their opinion upon it.

The Proceedings of all Committees held under this Order are to be transmitted to the Military Department for the consideration of Government.

The following classes of Pensioners are exempted from forfeiture except under the ordinary Pension Regulations :—

Cripples, and those who are infirm from great age or the effects of disease, whether Native Officers and Soldiers, or their Heirs, and who from these causes have not been accustomed heretofore to attend in person to receive their Pensions in person.

FROM

MAJ-GENL SIR J. OUTRAM, G. C. B.,

Comdg. 1st Division,

TO

THE DEPUTY ADJT. GENL. OF THE ARMY.

Camp, Alum Bagh, 26th February 1858.

SIR,

I HAVE the honor to report the particulars of a repulse of a determined demonstration, which the Enemy made on our position yesterday, the 25th Instant.

2. The principal attack was on our right, against which 24 Regiments of Regular Infantry, 6 Nijeeb Corps, 1,000 Cavalry and 8 Guns moved out from the trenches; of this number about one-half, with 2 Guns, advanced towards our right rear, and having occupied the "topes" immediately to the East of Jellalabad, commenced shelling that post heavily, evidently in the hope of igniting the large quantity of combustible stores at present collected there, while the remainder held in support the villages and "topes" directly in front of the Enemy's out-works.

3. Large bodies of Infantry and Cavalry, with 3 Guns, simultaneously menaced our left, and the trenches in front of our position were occupied in force.

4. Soon after 10 A. M. I moved out with detachments of Artillery, Cavalry and Infantry, as per accompanying Return, to intercept the Column which had opened 12 Guns on Jellalabad, having previously sent Barrow's Volunteers and Wale's Horse round, via Nowrungabad, to co-operate in the rear.

5. As we advanced, a portion of the Enemy's reserve made a demonstration against our left; but were speedily driven back, and afterwards held in check by the 4 Guns of Remington's Troops, supported by a Squadron of the 7th Hussars, under Colonel Hagart, and by Brasyer's Scikhs.

6. The Column then moved forward, flanked on the left by Brigadier Campbell with the Native Cavalry, which pushed on in advance to intercept the Enemy's retreat, which, owing to their having heard the fire of Remington's Guns, proved more sudden than we had anticipated. The manœuvre was completely successful, and speedily converted

their retreat into a rout, Brigadier Campbell's Detachment assailing them on one side, while Barrow's and Wale's Horse appeared on the opposite quarter, and the Military Train, under Captain Robertson, dashed into the middle of the flying Enemy, and captured their 2 Guns. The rapidity of their flight prevented the Infantry from taking a prominent part in the action. At 1 P. M., when we finally left the field, the foe had vanished.

7. In the mean time the hostile forces on the left of my position had retired before the very effective fire of Moir's Guns, not liking the looks of the arrangements which had been prepared by Brigadier Franklyn, who had been left in Command of the Camp, for their reception.

8. Judging from the corpses which strewed the field where the Cavalry had charged, and from the dense masses upon which our Guns repeatedly opened, the Enemy's Casualties must have been heavy. Our loss consisted of four men killed, five Officers and twenty men wounded.

9. My cordial acknowledgments are due to all the Officers and Men who conducted and took part in these operations, but especially to the Military Train, whose brilliant charge excited the enthusiasm of all who witnessed it.

10. Colonel Berkeley, my able and zealous Military Secretary, whose knowledge of the ground was of great service to Brigadier Campbell in cutting off the Enemy's retreat, was wounded while gallantly charging at the head of Hodson's Horse, as was Lieutenant Moorson while rendering to Barrow and Wale assistance similar to that which Colonel Berkeley afforded the Brigadier.

11. About 4 P. M., the Enemy again moved out against us. On this occasion they directed their principal efforts against our left, and evinced more spirit and determination than they have hitherto done. Repeatedly they advanced within grape and musket range, and as they ever met with a warm reception from our Guns and Enfields, especially from those of the left front picket, Commanded by Major Master, of the 5th Fusiliers, they must have suffered severely.

* They renewed their fire from time to time during the night; but solely, I believe, with the object of covering the parties engaged in removing their dead.

* Information has since been received, which states the Enemy's loss throughout the day to have been between 400 and 500.

Our loss in this subsequent operation amounted to one man killed and fourteen wounded. In all five men killed, and thirty-five Officers and men wounded.

12. The conduct of the Troops throughout the entire day and night was excellent at every point, and merits the highest commendation.

The usual Returns of Ordnance captured and of Casualties are hereby forwarded.

I have, &c.,

(Signed) J. OUTRAM, Major-Genl.,

Commanding 1st Division.

Fort William, 18th March 1858.

No. 453 of 1858.—The following Notification, issued from the Foreign Department, with the Right Honorable the Governor General, is published in General Orders :—

The 9th March 1858.—The Right Hon'ble the Governor General has the gratification of publishing the following Report of an action fought on the banks of the Gogra, near the village of Phoolpore, in which the Sarun Field Force, under Colonel Rowcroft, re-inforced by the 2nd Brigade 1st Division of the Nepalese Troops, under the Command of Maha Rajah Jung Bahadoor, overthrew and dispersed a Rebel Force under the guidance of Ghulam Hossein, capturing 3 Guns, Camp Equipage, &c., and securing the passage of the River.

In this engagement, His Excellency the Maha Rajah Jung Bahadoor, himself laying a Gun from one of his own Batteries, blew up one of the Enemy's tumbrils.

To Colonel Rowcroft, Commanding the Sarun Field Force, to Brigadier Gunga Doje, Commanding the Goorkha Brigade, and to all the Officers and Men under them, the Right Hon'ble the Governor General offers his cordial acknowledgments of their gallant exertions on this occasion.

No. 178.

FROM

BRIGDR GENL O. H. MACGREGOR, C. B.,

TO

THE SECRETARY TO GOVERNMENT,
*with the Governor General,
Foreign Dept. at his Head Quarters,
Ahalabad.
Camp, Moharruckpoor, 25th Feb. 1858.*

SIR,

I HAVE the honor to enclose, for the information of the Right Hon'ble the Governor General in Council, the report of an action fought about two miles in front of the village of Phoolpore, between the Sarun Field Force, under Colonel Rowcroft, re-inforced by the 2nd Brigade of the 1st Division of the Nepalese Army, and the Enemy under Command of Ghulam Hossein, son of Mahomed Hossein.

2. The Enemy, about 2,000 strong, with some Cavalry and 5 Guns, occupied a position on the right bank of the River, with their left resting on it. Colonel Rowcroft marched to attack them, and after an action of an hour, the details of which are given in his own Despatch, the Enemy was completely defeated and driven from the Field, with the loss of three of his 5 Guns, Camp Equipage, &c.

3. Colonel Rowcroft's attack was materially aided by the fire of a Battery which was disposed on the left bank of the River by His Excellency Maha Rajah Jung Bahadoor in person, who rode down to the bank on hearing the firing, and observing that the position of the battery enfiladed the left of the Enemy's position, he immediately ordered it to open fire. The fire was most effective; it silenced the Enemy in that part of the line before the action ceased on the right, and a shot from a Gun laid by His Excellency himself, blew up one of the Rebel's tumbrils.

4. In conclusion, it is my pleasing duty to bring to the notice of His Lordship in Council, the names of the Officers who distinguished themselves in this gallant and, as affecting the crossing of the River, very important action.

5. Brigadier Gunga Doje, Commanding the 2nd Goorkha Brigade, Colonel Turke Khan, Commanding Seeroonath Regiment, Colonel Shree-kissna Sahas, Commanding Jungnath Regiment, and Major Captain Sreebuktul Kunka, Commanding Ramdull Regiment, zealously exerted themselves in the Field and did good service. Colonel Lal Singh, Commanding the Battery on the left bank of the River, Major Captain Soogin Singh, Commanding Goorkha Artillery with the 2nd Brigade and Lieutenant Tuckman Jaisee, in charge of a half Battery, all distinguished themselves by their zeal and precision of fire. To all these Officers and the whole Goorkha Troops engaged, my best acknowledgments are due.

6. I beg to bring prominently to the notice of His Lordship in Council the services of Colonel Rowcroft, Commanding the Sarun Field Force; the skillful dispositions which he made, and the admirable manner in which he carried them out, left nothing to be desired. His complete success secured the passage of the River.

7. To Captain Sotheby and Lieutenant Turnour, R. N., the Hon'ble V. A. Montague, Acting A. D. C. to Colonel Rowcroft, Lieutenant Pym, Commanding Royal Marines, and all the Officers and Men of the Naval Brigade, my best thanks are due for their zeal and bravery.

8. Captain Morgan, Field Force Staff, is most honorably mentioned by Colonel Rowcroft, and Lieutenant Burton, Commanding Detachment of Sikhs; to both these Officers my acknowledgments are due.

9. Captain Brooks, attached to the Ramdull Regiment, greatly distinguished himself. This Officer's leading of the attack on the left attracted the particular notice of His Excellency the Maha Rajah, who personally mentioned it to me.

10. Lieutenant Sankay, Engineers, was on the Field, and made himself useful, carrying orders for Colonel Rowcroft.

11. The Officers attached to Brigadier Gunga Doje's Brigade, Captain Montgomery, and Lieutenants Francis and Gibb, are also honorably mentioned.

I have, &c.,

BRIGDR. GENL. MACGREGOR, C. B.,
Military Commissioner,

with Maha Rajah Jung Bahadoor,
Camp Phoolpore.

Camp near Phoolpore, right bank of
the Gogra, 22nd February 1858.

Sir,

I HAVE the honor to report to you, for the information of the Right Hon'ble the Governor General and His Excellency the Commander-in-Chief, the following movements and operations of the Field Force under my Command.

2. Late on the evening of the 18th Instant, it was decided to give up the preparations for crossing the River Gogra at Chupra Ghat, with the whole Field Force then under my orders, my Force having been re-inforced by the 2nd Brigade of three Regiments and 6 Guns of the 1st Division of Nepalese Troops, as likely to cause much delay in the upward progress of the fleet of boats. The necessary orders were issued for the fleet of boats under charge of Captain Reid, with escort, as formerly, of a detachment of the Naval Brigade and Sikh detachment, with the addition of 2 Companies of the Ramdull Goorkha Regiment and two 12-Pounder Howitzers, under the Command of Captain Sotheby, R. N., of H. M. Steam Frigate *Pearl*, to continue progress next morning. I ordered 2 Companies and 3 Guns of the 2nd Brigade to march early the next morning up the bank of the River, about three miles, to cover and protect the fleet of boats and Steamer *Jumna*. While passing the Fort of Chihora, on the right bank of the River, reported to be occupied by the Enemy. I marched the next morning at 9 o'clock with the remainder of the Naval Brigade and four Goorkha Regiments with Artillery for the Village and Fort of Nourainee, to cover and protect the fleet of boats and Steamer at that point. After a nine hours' march of twenty miles, arrived on the left bank of the River opposite Nourainee at 5½ P. M., the latter part of the march being through very heavy deep sand, at the same time with the leading boats. I wrote to Captain Sotheby on the Steamer, then a little lower down the River, to move up and prepare for disembarking the Detachment of Naval Brigade, to cross the River that night at 10 o'clock. The Naval Brigade and two 12-Pounder Howitzers, under the Command of Captain Sotheby, R. N., 5 Companies of Ramdull Goorkha Regiment and Detachment of Sikhs, embarked in boats, and we crossed the River to right bank, the Naval Brigade men having to pull the Guns through a long deep sand, assisted by some Goorkhas of the Ramdull Regiment; and about 12 o'clock we had seized and occupied the Village and Fort of Nourainee, finding it evacuated by the Enemy. We remained close to the Village and Fort in bivouac till morning. Captain Reid and Lieutenant Sankey accompanied the Troops.

3. That same day, 20th Instant, prepared to move to attack the Enemy, reported to be encamped near Phoolpore, about six miles distant, on right bank. Every exertion was made by Captain Sotheby, Officers and Men of the Naval Brigade, to ferry over spare Ammunition, &c. Captain Montgomery, in Military charge of 2nd Brigade, under Command of Brigadier Junga Deje, and

with the Goorkha Officers, exerted themselves to cross their Men and Guns not having arrived the night before, about 1 o'clock P. M. 20th Instant,

Royal Marines	80
Naval Column	140
12-Lr. Howitzers	4
Seacrafts Fleet	476
Jungnath Lito	450

I marched with the Force as per margin, after a march of some six miles, through fields and heavy cultivation and woods, found the Enemy in position in a wood on the banks of the River beyond

Phoolpore. Ghulam Hossein, son of the Nazim Mahomed Hossein, being the chief Officer present, with Ali Hyder, in immediate Command, were in position near and in a wood, with some broken ground in their front, and their left on the River. The Enemy then kept up a sharp cannonade for nearly an hour, which was briskly replied to by the Naval Brigade Artillery, under charge of Lieutenant Turnour, R. N., a most zealous active Officer, and most actively and zealously superintended by Captain Sotheby, Commanding the Naval Brigade of the *Pearl*, whose fire was most effective. Lieutenant Pym, R. N., in charge of the Royal Marines of H. M. Steam Frigate *Pearl*, skirmished to the front, doing excellent service with their rifles, pressing forward most gallantly, capturing 1 Gun, turning it on the Enemy, and firing nine rounds of grape, also capturing a second Gun aided by a few Sikhs and Goorkhas, a third Gun being captured by the Goorkhas; the Goorkha Skirmishers I had ordered out early on the right flank, having pressed on rapidly into action. Lieutenant Pym, R. N., brings to notice the gallant bearing of Acting Sergeant Francis Butler, of the Woolwich Division, during the action, who rendered him great assistance, also the admirable conduct of all the Marines. The Goorkha Artillery in the centre and on the right flank, by a flank movement I made to the left, were somewhat thrown to the right rear, but rapidly pushed into action through a village and heavy cultivation, opening their Guns with effect upon the Enemy. In about an hour, the Enemy gave way and were speedily in full retreat, defeated and routed with the loss of three of their 5 Guns, and a portion of their Camp Equipage. The Enemy were reported to be 2,000 strong, including 200 Sepoys, a few hundred Cavalry and 5 Guns in the field; some having gone off earlier in the day with their heavy baggage. Being nearly dark when the action ceased, and the cultivation very heavy, it was impossible to ascertain the number of the Enemy killed; but many were found afterwards in the different fields, and the Enemy are reported to have carried away a number of their wounded, their Commandant Ali Hyder being severely wounded on the thigh. Our Casualty List, I am happy to say, is very light; the action ceased a little earlier on the right by the River; the Naval Column and Guns and part of Ramdull Regiment pursued the Enemy till nearly dark. We then moved to our right rear to rejoin the other portion of the Force. One hour more of day light would have given us greater success.

4. Captain Brooks, in Military charge of the Ramdull Regiment, zealously exerted himself during the action. Captain Montgomery, in Military charge of 2nd Brigade of Goorkhas, and Lieutenant Francis, attached to the Jungnath Regiment, greatly exerted themselves. Captain Morgan, my Field Force Staff, was most zealous in

giving his services wherever required. Lieutenant Burton, in charge of the Detachment of Sikhs, was most useful and active, and skirmishing to the front with his active ready men. The Hon'ble V. A. Montague, R. N., my acting Aide-de-Camp, was active and zealous, carrying orders, and Lieutenant Sankey, of Engineers, afforded me every assistance, and in passing orders in the Field.

5. Brigadier Junga Doje, Commanding 2nd Goorkha Brigade, Colonel Turke Khan, Commanding Seereenath Regiment, Colonel Seere Kisanon Sahase, Commanding Jungenath Regiment, Major Captain Seerebukht Kunka, Commanding Ramdull Regiment, zealously exerted themselves in the Field; 1st Lieutenant Gibb, Bengal Artillery attached to the Goorkha Artillery, was very active and zealous in affording every assistance to bring the Guns rapidly into action, and he reports Major Captain Soojin Singh, Commanding Goorkha Artillery, and Lieutenant Tuckman Jaisee, in charge of a half Battery, evinced much zeal during the action, the latter forcing his Guns through a village and difficult to bring them into action.

6. A battery of 6 Guns, placed on the left bank of the River by His Highness Jung Bahadoor, did excellent service under the orders of His Excellency, playing on the left flank of the Enemy, and one shot breaking up one of their tumbrils.

7. Drs. Shore and Dickenson, Naval Brigade, Drs. Morton and Playfair, attached to the 2nd Brigade of Goorkhas, and Dr. Hilson, attached to the Ramdull Regiment, were present and active in the Field, and ready for any emergency. The Naval Chaplain, the Reverend Mr. Williams, was present in the Field.

8. I shall esteem it a favor if you will bring to the favorable notice of the Right Hon'ble the Governor General, and His Excellency the Commander-in-Chief, the Officers and Troops mentioned and engaged in the action and operations reported in the Despatch, attended with such complete results, and the attainment of the urgent object you had in view, the safe and easy construction of a bridge-of-boats over the Gogra at Phoolpore, for the passage of the Troops under the Command of His Highness Maha Raja Jung Bahadoor, into Oude.

9. I beg to annex a Casualty List and a List of Guns and Ordnance Stores captured.

"The octagonal iron Tower which carries this Light is erected near the centre of the Island, which is 1½ miles in length E. by S. and W. by N., with an average width of nearly a quarter of a mile. From Breaksea Light the extremity of Bald Head bears South 40 degrees West 3 miles, Cape Vancouver at the foot of Mount Gardner, East 15 degrees North 7 miles, and the Light at the entrance of Princess Royal Harbour West 20 degrees North 6½ miles. By a Vessel from the Westward the Light may first be seen round the steep slope of Bald Head on the bearing of N. E. ¼ E., just open to the South of the Elipse Islands. These bearings are magnetic.

"The Light at Princess Royal Harbour is on Point King, the North point of its narrow entrance. It is a fixed white light of the same description as that on Breaksea, but smaller, and is elevated 37 feet above high water, from the mid Channel between Breaksea and Michaelmas Islands. This Light bears W. by N. ¼ N., and from the N. E. extremity of Bald Head N. W. ¼ W. It is carried by a wooden square Tower 17 feet in height and 37 feet from the water's edge. The Governor General deeply laments the death of Mr. J. O'B. Taady, who behaved with conspicuous gallantry in this affair, and whose conduct throughout was only what was to have been expected from his known character, and his former most zealous services.

TO

C. B. THORNHILL, ESQUIRE,
Secy. to Government, N. W. P.

SIR,

I HAVE the honor to report for the information of His Honor the Lieutenant Governor, that we are in possession of the important Town of Coel; and that, as far as can at present be ascertained, the effects of the victory which was obtained over the Rebels, on the 24th Ultimo, are as satisfactory as could be hoped for.

2. His Honor has already been demi-officially informed of the operations of the force under Major Montgomery. I now record the reasons for the advance on Coel, and a short resume of matters since I left Agra.

3. On the 21st Ultimo, I was deputed to Hathrass to collect revenue and restore confidence to the people of that part of the District, who had abstained in a certain measure from evincing the rebellious spirit generally shown by the inhabitants of this Zillah.

4. I found on arrival at Hathrass that none of the objects of the expedition could be satisfactorily carried out, in consequence of the insolence of Ghose Mahomed Khan, who had, on the part of the King of Delhi, set himself up at Coel as the Ruler of that place. He had sent out a considerable force of his horsemen to Mudrack, 8 miles from Allypurrh, on the road to Hathrass, and an advance guard to Sasnee, only 6 miles from the latter place; and his followers boasted of their intention to advance on Hathrass itself.

5. All these demonstrations quite paralyzed my efforts for good; and with the hearty concurrence of Major Montgomery a movement on Coel was decided upon. We accordingly marched to Sasnee on the evening of the 23rd and halted there. The next morning we resumed our march and came up with the Rebels, 3 miles from Coel, at about 10 A. M., when the battle began, and lasted till 1 P. M.

6. Major Montgomery will report the plan of operations as well as the conduct of the Troops. I will only observe that before we left the field not an Enemy was in sight. The corpses of most of their slain were leisurely examined by us; and those of our own, only five in number, were reverently removed and placed on a conveyance.

7. On political grounds, I was most anxious to make an entrance into Allypurrh; but for military reasons, (which Major Montgomery will explain,

and which were undoubtedly most prudent,) the order was given to retire. This was done in a dignified manner. We remained three hours at Sasnes, and reached Hattaras at night.

8. The next morning I learnt that all the Rebels who fought against us, with Ghose Mahomed at their head, had precipitately abandoned the city; that two of the leaders, (Moulvees), who had inflamed the religious fanaticism of the Mosulman population, had been killed; and that all the peaceful citizens of Cool were anxiously expecting our arrival.

9. More Ammunition was accordingly procured from Agra; and on the 28th, at 7 A. M., we made a triumphant entry into the Town and Cantonments, where we have remained ever since in undisturbed possession.

10. I beg to bring to your notice the useful and gallant services of Captain Murray, of the late Gwalior Contingent. His Report is here with enclosed, and it fully shows the aid given by the Jat Horsemen under Thakoor Gobind Sing. Captain Murray has shown himself throughout the expedition to be as brave and dashing a soldier in the field as he is cautious and sensible in council; and his example infused some measure of courage into the Jats. I cordially agree with all he says of his subordinates. Mr. Hennessy is a most promising young gentleman; and I sincerely trust he may obtain a commission from the Hon'ble Company, to which I pledge myself he will do honor. Mr. P. Saunders was also prominently engaged during the whole action; and I mention him in my Report as he was in some measure associated with me. Major Montgomery will, I doubt not, mention his conspicuous gallantry, as well as that of his cousin, the lamented Mr. J. O'B. Tandy, who fell, as all anticipated, in a noble and self-sacrificing manner.

11. I trust Thakoor Gobind Sing will be well rewarded with a Khillut, as well as in some substantial manner, for the services he has rendered, and the sacrifices he has made to prove his fidelity.

12. Chobay Ghunseean Doss, late Tehseeldar of Hattaras must be mentioned as an extraordinary example of wisdom, bravery, and integrity. His intelligence from all parts has never failed; his advice has been judicious and honest; and his influence with all parties, and the respect with which he is treated by them, are as remarkable as his unflinching attitude towards the Enemies of the Government. In a word, during the whole of this rebellion, I have seen no native equal to him, or more deserving of the confidence on the Government of India, and of a higher mark of their regard.

13. The Deputy Collector of Boolundshuhur, Doorga Persad, has shown himself to be a man of considerable bravery, as well as of intelligence; and I would say the same of the two brothers of the Chobay Ghunseean, by name Jai Kiso and Dhunput Roy, Tehseeldars, respectively, of Hattaras and Eglas.

14. I beg to express the high opinion I entertain of the services of Messrs Lane, Daniell and E. Colvin. Mr. Lane was only a volunteer, and therefore I had not so much to do with him. Mr. Colvin was with me throughout the expedition. He not only gave me every assistance as a consultant in the work of the District, but was also prominent in the field, where he had the good fortune to shoot one of the leading Gazees. On

Mr. Daniell and the foot under Runder Sing, devolved the protection of the baggage in the rear. The duty was important and dangerous, and it was well and bravely performed. I forward Mr. Daniell's Report.

15. In conclusion, I beg to express my hearty thanks to Major Montgomery for his uniform co-operation; and there is but one opinion amongst all who have been associated with him, as to the qualities he has shown in the Command of the Force. I know not whether to dilate most on his admirable arrangements on the line of march, or on the field of battle, or in Cantonments. He is every where day and night.

I have the honor to be,
Sir,

Your most obdt. Servant,

A. COCKS,
Special Commissioner.

Camp Hattaras, 1st September 1857.

SIR,

For your information, I have the honor to

state, that the Detachment under my Command, as per margin, arrived at Hattaras, on the evening of the 21st Ultimo, and on the day following, intelligence was received that the Allypore Insurgents, numbering 5 to 6,000, under Ghose Mahomed Khan, Naib Soolah of the King of Delhi, had assumed the offensive, and were marching to attack our position; further, that their advance guard had been

pushed forward to Mudrack, about 12 miles from Hattaras. But as the information, though most important, could not be depended upon, Mr. J. O'B. Tandy volunteered, accompanied by Mr. C. Daniell, C. S., and Lieut. D. Kantzow, to ride on in the direction the Enemy were said to have taken up their position, for the purpose of obtaining reliable and certain information of the movements and position of the insurgents as far as possible.

2. In the meantime I made the necessary arrangements for repelling an attack, and to prevent a surprise during the night.

3. At midnight Mr. Tandy and party returned, bringing intelligence, that the advance guard of the insurgents had fallen back, leaving a party of Horse (supposed to be the Mutineers of the 15th Irregulars) at Mudrack, and had taken up their position, determined to fight in a garden with high embankments belonging to Maun Sing, close

to and connecting with similar enclosures, near to and on the outskirts of the City of Allygurh.

4. From the information I received, I determined at once, in concurrence with the Commissioner A. Cocks, Esq., on special duty, to attack their position at all hazard; and on Sunday the 23rd Ultimo, commenced our march towards Allygurh, lightly equipped and prepared against any contingency, and arrived at Sassee about the close of the evening, having been detained by heavy rain on the line of march, and halted for the night. An old Indigo Factory close to the road with adjoining buildings, and the Government Carts placed at my disposal, afforded tolerable shelter for both men and Officers, and by the assistance of the Civil Authorities, large fires were lighted throughout the camp, by which the men dried their clothes. Every precaution was taken for the protection of the camp, and the night passed off without any thing occurring, worthy of notice, beyond the capture of a youth near one of the Guns, who was confined and subsequently flogged, it having been ascertained, that he had come from Allygurh.

5. At day-break, we resumed our march towards Allygurh in good heart, and elated with the prospect of meeting and chastising with retributive vengeance, Rebels and Mutineers unequalled for their cruel fiendish malignity and cowardly atrocities to our helpless (in most instances) countrymen and their families, though so vastly superior in numbers; but still fighting in a good cause and with the fullest reliance on Almighty Aid, of the result on closing with the Enemy, there was but one feeling which animated and pervaded the minds of most composing the Detachment.

6. I must here mention that on starting from Sassee, Mr. Cocks placed at my disposal 70 Jat Horse and Matchlock men belonging to Thakoor Gobind Sing, the former being under the Command of Captain J. J. Murray, of the late Gwalior Contingent, and the latter of Mr. Daniell, C. S., and who, as will afterwards appear, were of great service.

7. On nearing Mudrack about seven miles from Allygurh, we observed a party of Cavalry quietly retiring, fully a mile ahead of our advance guard, which consisted of a Company of the 3rd Europeans on Elephants, preceded by the Militia Cavalry and Jat Horse. The Enemy's Cavalry had evidently no wish to interfere with our advance, and continued to retire, till nearing their position, they silted off to the left, and were joined by others.

8. The Detachment continued to advance to within a quarter of a mile of Maun Sing's garden, and on ascertaining the exact position of the Enemy, measures were promptly taken for the protection of the carriage, &c., consisting of a numerous train of waggons, 130 head of cattle, 16 elephants, and many camels with ammunition and stores, which to me, surrounded as we were on nearly all sides by overwhelming numbers of the Enemy, caused me no little anxiety.

9. The carriage, &c., having been collected on the smallest possible space by Captain Fanshawe, I placed at his disposal, for their protection, the Jat Matchlock men and a few Sowars under Mr. Daniell, who performed that important duty most efficiently and satisfactorily.

10. Having secured the baggage, &c., with greatest care and anxiety, I commenced the action by attacking, with the Militia Cavalry under Lieu-

tenant D. Kantzow and the Jat Horse, a large body of Cavalry chiefly Irregulars, who threatened our left and rear.

11. This duty was most gallantly and promptly performed, and our left and rear having thus been cleared of the Enemy's Cavalry, who were driven back to the rear of their main body, I brought the Guns into position, under cover of skirmishers and opened fire, which was sharply replied to by the Enemy from behind the garden walls, against which I found Artillery of little avail. Information was now brought to me by Mr. P. Saunders who considerably and kindly placed his services at my disposal, that the Enemy were in great force on the right of the garden; I immediately directed Captain Murray to move round to the right with Jat Horse, and cut off the Enemy on the general assault and carrying of their position with the Infantry, at the same time ordering Lieutenant Griffin to move up two of his Guns in the same direction. This movement took some little time, evidently occupying the attention of the Enemy, enabled me to make arrangements for the assault.

12. Leaving a sufficient number of men under Captain Stover to protect the Gun on the left, and all being ready, I gave the word "Forward" and went to the front accompanied by Lieutenant Clarke, and followed by No. 8 Company, of the 3rd European Regiment, under Lieutenant Blake; on reaching the garden wall, a large party of fanatical Mussulmen, headed by Moulvees rushed forward sword in hand from the right corner, and there ensued a most desperate hand to hand encounter, which terminated in their total destruction, and where we met with our chief loss, which might in a great measure have been avoided, had Captain Bacon's Company attached to the two Guns on the right fired upon them as they debouched from the garden immediately in their front.

13. Fortunately at this moment Lieutenant Griffin, at Captain Murray's request, moved up his two Guns, and getting well to the right, opened fire with terrible effect on their reserve, killing great numbers and completely dispersing the remainder. Captain Murray at the same time taking advantage of an opening in the wall, dashed forward with part of the Jat Horse, entered the garden, and cut up the Gazees who remained in it, among whom was the Chief Moulvee Abdulzukeel, who was cut down in a hand to hand encounter by that Officer.

14. The field was now our own, after two hours fighting, the Enemy having been completely routed and dispersed in all directions, leaving at least 300 dead; thus terminating a decided victory against great odds, and with comparatively small loss on our side, considering the strength of their positions and the number of Gazees, who fought with the desperation and contempt of life of Mussulmen fanatics.

15. On the termination of the action, Mr. Cocks, who throughout the day was by my side, strongly urged following up our success on pointal grounds, by an immediate advance on Allygurh; but having to thread a defile of walled enclosures (most of which were occupied) a greater part of which running under and close to the city with an enormous population; with our grape and canister nearly expended, without scarcely the possibility of getting at the Enemy with our Detachment, in the first instance scarcely equal to

the undertaking, much reduced by the killed and wounded, with reports of aid for the insurgents being daily expected from Delhi, with no possibility of obtaining assistance from any quarter nearer than Agra, from where a man could scarcely be spared, with our wounded to attend to and all being well considered and explained to Mr. Cocks, I, with his fullest concurrence, decided on returning to our Head Quarters at Hattress, taking with us our killed and wounded, with the determination of occupying Allygarh on completing our ammunition, and which we did on the 27th without the slightest opposition.

16. The force opposed to us, Commanded by Ghose Mahomed Khan, Naib Subah on the part of Waleedat Khan, appointed Subah by the King of Delhi, was chiefly composed of Mussulmen, among whom were many Gazees, numbering from 5 to 6,000, with 150 Irregular Cavalry and 200 Mahomedan Horse, aided by levies of Zemindaree Horse and Foot, chiefly Mewatis amounting to 6 or 700 Men, the whole headed by Moulvee Abdoolzuleel, a very influential religious instructor, and leader of the Gazees, being assisted by several other Moulvees, three of whom, including Abdoolzuleel, were killed, and a fourth wounded.

17. I attribute the success of the action to the cordial co-operation and assistance, I received from the Civil Authorities, and Officers and Men under my Command, and my best thanks are due to Captain Stover, Second in Command, (who in quarter and in the field has rendered me every assistance,) Officers, Non-Commissioned Officers and Men of the 3rd Europeans, which, though a young Regiment, and under very trying circumstances, behaved with the valour and spirit of British Soldiers.

18. To Lieutenant Griffin, Non-Commissioned Officer and Men of the Artillery, for the promptitude with which my orders were carried out and to whose energetic exertions I attribute in a great measure the success of the day.

19. Lieutenant DeKantow, and the Militia Cavalry, who (with the Jat Horse under Captain Murray—this Officer signally distinguished himself in a single handed encounter with a Gazees, who, I am happy to say, was shot down, though not till Captain Murray received a severe contusion in the arm,) rendered most important service, by successfully attacking and dispersing a large body of Irregular Cavalry at the commencement of the action. Of the conduct of the Militia, both in the field and quarters, I cannot speak too highly.

20. To Assistant Surgeon Mackellar, for his judicious medical arrangements and his assiduous and humane attention to the wounded.

21. To Lieutenant Blake, 3rd European Regiment and Lieutenant Clarke, of the late Gwalior Contingent, who behaved with conspicuous gallantry, the latter being severely wounded.

22. Ensign O'Donnell, 67th N. I., who during the march, and in the field, assisted me very greatly.

23. Mr. Volunteer Hennessy, who greatly distinguished himself shooting five men with his Rifle, and one with a Revolver, and as he was also present in the action of the 5th July, and is the son of an old and deserving Officer, I respectfully solicit that the services of the youth may specially be brought to the notice of Government, with a view to his obtaining Military employment.

24. I beg to bring prominently forward the praiseworthy conduct of Reverend Mr. Kellner, who gratuitously accompanied the Detachment, and for whose humane and unremitting attention to the wounded during the action and under fire, too much praise cannot possibly be bestowed.

25. I am also greatly indebted to Mr. Cocks for his cordial co-operation and assistance, on all occasions particularly on the day of the action, and for the very accurate information he obtained, when the most conflicting and contradictory accounts were spread abroad, evidently with the view of discouraging and throwing difficulties in the way of our advance. Also to Mr. Paterson Saunders, and Messrs. Lane and Colvin, of the Civil Service, of whose services I cannot speak too highly in conveying orders throughout the heat of the action.

26. To Captain Fanshawe, in charge of the carriage, &c., for his admirable management in providing ample carriage for the Detachment, and energetic exertions in the Postal Department, as also for the very accurate information he has at all times procured.

27. To Mr. Daniell, C. S., to whom was assigned the responsible duty of protecting the baggage with the Jat Matchlock men.

28. I deeply lament the loss of J. O'B. Tandy, Esq., and Ensign Marsh, 16th Grenadiers, both of whom were Volunteers; the former fell whilst attempting quite alone to enter the walled enclosures. This Gentleman's daring and gallantry could not be surpassed, and possessing, as he did, every qualification that could adorn a Soldier and a Gentleman, his loss has been a matter of the deepest regret to the whole of the party. Ensign Marsh, the son of an old Cavalry Officer in our Service, behaved most gallantly, and at last overpowered by odds, fell cut to pieces by the fanatic Gazees.

A List of the Killed and Wounded, I have the honor herewith to enclose.

I have the honor to be,

Sir,

Your most obedt. Servant,

Camp Hattrass, 25th August 1857.

SIR,

AGREEABLY to your request, I have the honor to furnish for your information, the following account of the part taken by Thakoor Gobind Sing's Jat Horse,* under

*70 Sowars under Thakoor Gobind Sing.

my Command, in the engagement with the Allyputh Insurgents, at Maun Sing's garden, on the 24th Instant.

2. Before attacking their position, Major Montgomery ordered the Militia Cavalry, under Lieutenant DeKantzow, and the Jat Horse, to charge 150 Irregular Cavalry, who were threatening our left flank, and circling round to the rear of our column. The Militia Cavalry† being a

small body and easily handled, were the first to move off, but the Jat Horse quickly followed in support, and by their formidable appearance, contributed in no small degree to the defeat of the Irregulars, who, after firing a few shots, were driven back to the rear of their position in com-

plete disorder and did not again show themselves during the action.

These latter were in uniform and armed with carbines, &c.

3. Shortly afterwards I was ordered to sweep round by the right of Maun Sing's garden, and cut up some of the Enemy, who were making their escape; but finding a large party of at least 800 Men and 50 Sowars, drawn up in good order on the right of the garden, Lieutenant Griffin at my request, moved up two of his Guns and opened fire with terrible effect, killing at least 150 of them, and completely dispersing the remainder.

I was preparing to follow them up, when I received an order to charge into the garden and clear it of the Enemy. This, a portion of the Jat Horse did in gallant style, headed by Kurruck Sing, who (were 8 Sowars) was wounded in an encounter with seven of the most desperate Mussulmen, whom they killed. Kurruck Sing was also dangerously wounded by a *Musket ball*, on leaving the garden; but I am glad to say is going on favourably.

4. Shakoob Gobind Sing gave me every assistance, and was under fire throughout the engagement. Deputy Collector Doorga Persaud and Jey Kissan, Telisachlar of Hattrass, also distinguished themselves.

5. I have great pleasure in bringing to your notice Mr. Volunteer Hennessey, who kindly accompanied me, and as you must have observed, particularly distinguished himself. He killed five men with his Rifle, one with a Revolver, and would have been very severely wounded, had not his pouch saved him from a sword cut, in an encounter with a Mussulman, and he fortunately escaped with a contusion of the arm.

6. Mr. Collier, of the Militia Cavalry, who was attached to me, behaved with his usual gallantry.

I have the honor to be,

SIR,

Your most obedt. Servant,

J. G. MURRAY, *Captain,*

Late Gwalior Contingent,

Comdg. Jat Horse, on the 24th Instant.

MEMO.

SIR,

On the morning of the 24th Instant, under Major Montgomery's orders, I marched with the contingent of footmen, furnished by Thakoor Gobind Sing, to the number of one hundred and eleven, from Sasner. They were under the Command of Runder Sing, the Thakoor's nephew. I was ordered to remain with them all day, and march in the rear of the force, and to carry out the Commanding Officer's orders, with regard to this part of the force. They marched in excellent order, up to the field, about a mile distant from the rear of the force, the Enemy's Cavalry were seen a short distance to the right, but made no attempt at attack, keeping parallel to the rear Guard, until they joined the main-body. I there received an order to dispose the men, in the rear, with a view to prevent any attack. The footmen were therefore drawn up, on each side of the baggage in the fields on the side of the road, and the Cavalry about ten in number, who were sent to my rear on the road, completed the cordon, being drawn up between the two lines of Infantry. They kept this position until the order to return to Hattrass, was given, when the horsemen marched

in front of the main body, and the footmen in two lines on each side of the baggage. Thakoor Bunder Singh's activity was conspicuous. The order he preserved among his men, was very creditable.

I have the honor to be,
Sir,
Your obedt. Servant,

Forward Report of the successful storm of the Town of Meerangunge in Oude, by the Troops under the Command of Brigadier General Sir J. H. Grant.

Right Hon'ble the Governor General, copy of a Report, dated the 5th instant, from Brigadier General Sir J. Hope Grant, K. C. B., of the successful storm of

the Town of Meerangunge in Oude, on the 23rd ultimo, by the Troops under his Command, on which occasion 6 Guns were captured, and about 900 of the Rebels killed or taken prisoners.

2. His Excellency considers that Sir J. Hope Grant, in this, as in all other affairs in which he has been engaged, displayed great energy, zeal and ability, and that he well deserves the approbation of his Lordship.

I have the honor to be,
Sir,
Your most obedt. Servant,
H. W. NORMAN, Major,
Dy. Adjt. Genl. of the Army.

FROM
BRIGDR. GENL. SIR J. H. GRANT, K. C. B.,
Comdg. Cavalry.

TO
THE DY. ADJT. GENL. OF THE ARMY,
Camp before Lucknow, 5th March 1858.

SIR,
I HAVE the honor to report that, on the morning of the 23rd February, I marched with the

Artillery	320
Cavalry	830
Native Sappers & Miners	44
Infantry	2240
Total	3246

Force named in the margin, to Meerangunge, (with which I had been sent out to clear the country on the left bank of the Ganges, and along the main road

Siege Guns	2	from Cawnpore to Lucknow, where I heard a Force
Field Ditto	12	of 2,000 Infantry had taken up a position in the
Total	14	Town with 300 Cavalry

outside, and 5 or 6 Guns.

The Town was an old walled City with three strong gates, one leading to Lucknow, another to Cawnpore, and the third to Rohileund; at each of the gates were placed Guns behind strong breast-works, and these three sides were covered with trees. I reconnoitred and found on the north side, an excellent position within 350 yards, where the 2 heavy Guns under Major Anderson, C. B. could be brought up, and a part of the wall in which was a postern gate beside a house called the Palace, which could be breached. I immediately ordered up the 2 Guns, placed the 53rd Regiment with the 38th in support, in rear of the Guns behind a village. I sent the Cavalry with 4 Guns of the Royal Horse Artillery, to cover the Lucknow road; and the 34th Regiment, with two other Guns and a Troop of Cavalry, to cover the baggage on the Rohileund road. Major Turner's Troop of 9-Pounders, under Command of Lieutenant Bishop, I placed on the right of the heavy Guns, to keep down the musketry fire from the walls of the Town.

In the space of 50 minutes, the 2 heavy Guns made a practicable breach, and I then ordered the 53rd Regiment to advance to the assault. They were formed into two Columns. One was to proceed through the left of the Town under Colonel English, the other to the right under Major Payne; this duty was performed most admirably by the 53rd; they approached the Town through some lanes to the left, they rushed in at the breach, stormed the Town and took it; 6 Guns were also taken. Numbers of the Enemy were killed, and numbers tried to make their escape through the gates, but we were every where prepared for them, and altogether there must have been 500 killed and 400 taken prisoners. The Cavalry, Artillery and Infantry, on all sides, did their duty and gave me the greatest satisfaction.

I cannot speak too highly of the assistance I received from Major Anderson, C. B., Commanding the Artillery, from Lieutenant-Colonel J. Hagart, Commanding the Cavalry, and from Lieutenant-Colonel Sparks, Commanding the Infantry Brigade; also from Major Turner, Bengal Horse Artillery, and from Major Mitchell, and Lieutenant Bishop, Commanding Troops of Royal and Bengal Horse Artillery; from Major Horne, Commanding 7th Hussars, and from Captain Anson, Commanding 9th Lancers; from Lieutenant-Colonel Kelly, Commanding 34th Regiment, and from Lieutenant-Colonel Kelly, Commanding 38th Regiment; also from Lieutenant-Colonel English and Major Payne, 53rd Regiment, who so successfully commanded all their Columns of assault, and from Captain Gough and Lieutenant Watson, Commanding Detachments of Irregular Cavalry; Lieutenant Dixon, Bengal Horse Artillery; Lieutenant Martin, 9th Lancers, and Captain Fendall, 53rd Regiment, Brigade Majors of Artillery, Cavalry and Infantry, were of the greatest use throughout the day. Lieutenant Warren, Commanding the heavy Guns, deserves great praise for the speedy and effective manner the wall was breached.

To my own personal Staff, I am deeply indebted for their services. Captain Hamilton, Deputy Assistant Adjutant General, Lieutenant Roberts,

Deputy Assistant Quarter-Master General, Captain the Honorable A. Anson, Aid de-Camp, and Lieutenant Havelock, extra Aid de-Camp. Captain Bruce, Head of the Intelligence Department, and Captain Evans, Deputy Commissioner, afforded me the most valuable aid in obtaining information on this, as on every other occasion; Lieutenants

Wilkinson and Hogge, of the Commissariat Department, exerted themselves to the utmost, and materially lessened the difficulties of the march.

I have, &c.,

(Signed) J. HOPE GRANT, *Brigdr. Genl.*

No. 181.

FROM

BRIGDR. GENL. H. M. MACGREGOR, C. B.

Military Commissioner,

TO

THE SECY. TO THE GOVERNMENT,

with the Governor General.

Camp Rowneeah, near Doudpore.

The 4th March 1858.

SIR,

I HAVE the honor to report for the information of the Right Hon'ble the Governor General in Council, that when on the line of march on the 26th Ultimo, from Mobarukhpore to Ukberpore, as Maha Rajah Jung Bahadoor and myself were proceeding along the road, we were informed that at a Fort near at hand, some 40 Rebels were there.

2. The Maha Rajah remarked that they might rob the carts, and sent some of his body guard to see what they were. They rode up to the place and completely surprised them, and actually got into the place. The men inside proposed submission, and said they would lay down their arms in two ghurries (about 40 minutes) if allowed that time to prepare. Unaccountably, the Goorkhas fell into the trap, and left the place for that time, and on their return, re-inforced by three Companies, they were fired on, and several were killed and wounded.

3. The news of this reached us immediately after our arrival in Camp, and the Maha Rajah first despatched his brothers, and subsequently, in my company, went himself back to the place about six miles.

4. I have the pleasure to enclose the Reports of the Officers in charge of Brigades present, as well as that of Lieutenant Sankey, Madras Engineers, which will put His Lordship in Council in possession of the style of place, and the manner of its capture.

5. Previous to the arrival of Maha Rajah, though I believe arrangements for an assault were made by Generals Runooddeen Sing and Dere Shumshere, yet no progress had actually been

made. The arrival of His Highness gave a spur to the whole body. He immediately directed an assault, caused the bugles to be sounded, and in an hour after his arrival, I accompanied him into the place.

6. I cannot speak too highly of the courage and gallantry shown by the Officers and Men engaged in this little but desperate affair. The heavy List of Casualties will show to His Lordship in Council the strength of the defences, and the desperation with which they were held. It was manifest from this day's work, that the Goorkhas were capable of anything in the way of an assault when animated by the presence of the Maha Rajah, and I was very much pleased indeed with their demeanour throughout; for the service was really a trying one.

7. I beg to bring to the notice of His Lordship in Council, the excellent arrangements of Generals Ramodeep Sing, Second in Command and Dere Shumshere, the Maha Rajah's brother, Their dispositions ensured the Capture of the place, and prevented the escape of the Enemy.

8. Brigadier Sunmuck Sing and Jodh Adhikaree were on the field and greatly exerted themselves. Captain Edmonstone records the distinguished gallantry with which the former led on his men, who bore the brunt of the affair.

9. Colonel Koonu Singh, Lall Sing and Ramchunder Sing Allie, as well as Major-Captain Bulla Bahadoor Gaitoo and Major Jungbeer Kooner Ramjee, are also honorably mentioned.

10. The conspicuous gallantry of Lieutenant Sankey, Madras Engineers, was the admiration of every one. It was by his advice the Gun was brought up which breached the wall, and he was the first man in the Fort, followed by the Rifle Regiment with Captain Edmonstone. The latter Officer's conduct was most gallant and praiseworthy.

11. I am also indebted to Captain Baring, the Senior Officer present, in charge of a Brigade, as well as to Captain Holland, and Lieutenant Mylne, of the Artillery, and Captain Lane, Lieutenant Cory, and Lieutenant Garnault, all of whom exerted themselves greatly.

12. Captain Brander, Deputy Assistant Commissary General, was in the field, and opportunely set fire to the Village at the only part of the Fort where there was no bamboo hedge, thus preventing the escape of the Rebels.

13. Dr. Chalmers' activity and attention to the wounded was most conspicuous.

I have the honor to be,

SIR,

Your most obedt. Servant,

To

CAPTAIN MACANDREW,

Military Secretary,

to Brigdr. Genl. MacGregor, C. B.,

Camp Sultanpore, 2nd March 1858.

SIR,

I HAVE the honor to report for the information of the Brigadier General MacGregor, C. B., that on the morning of the 26th Ultimo, whilst on the march from Phoolpoor to Ukherpoor, with the Brigade of which I have Military charge, and which is Commanded by Brigadier Jodaheer Adhikaree, instructions were

2 Co's Singanath Regt.

received to detach a party (strength as per margin) for the purpose of dis-

lodging a body of Insurgents entrenched at the village of Berozepoor; this I am happy to say was satisfactorily effected, after a very obstinate defence, of which I subjoin the following particulars. On arriving in front of the Enemy's position, I was reinforced by a portion of

Rifle Regiment.
Kalepeshund Regiment.
2 Co's Soorajdull Regt.
and 7 Guns.

1st Brigade, (strength as per margin) under the Military charge of Captain Edmonstone, whose proceedings are annexed. The

difficulty of our operations was materially increased by the Enemy's position being completely surrounded by an impenetrable hedge of bamboo, which prevented our ascertaining the nature of the defences within. Under the circumstances, I deemed it expedient to suggest to the General Dere Shumshere that he should open with shell from the Guns on the South side, sending a Regiment out on each flank to prevent the escape of the Enemy. After firing for some time, and finding that we made little or no impression on the position, from its natural defences, we determined on altering our tactics, and moved up 3 Guns to the East side. I now suggested to the General the propriety of pushing the men up to the place in extended order, under cover of the Guns, with a
